

**SECTION 1. IDENTIFICATION OF THE CHEMICAL AND COMPANY**

Product name : ULTRASIL 620

Other means of identification : Not applicable

Recommended use : Cleaning product

Product dilution information : 0,1 % - 0,3 %

Company : Chile ECOLAB S.A.  
 Avenida Pedro de Valdivia 3801  
 Santiago, Santiago Chile  
 (2)-22413300, Telephone: (2)-22381603, Telephone: SAC: 600 241 6600  
 sac.chile@ecolab.com

Emergency telephone : (+56-2) 2247-3600 (CITUC)

Toxicological Emergency Phone : CITUC (+56-2) 2635-3800 (24 hours)

**SECTION 2. HAZARDS IDENTIFICATION**

Classification according to NCH 382 : Not classified according to NCh 382

Distintivo según NCh 2190 : Not classified according to NCh 382

**GHS Classification**
**Product AS SOLD**

Skin irritation : Category 2  
 Eye irritation : Category 2A  
 Respiratory sensitization : Category 1  
 Acute aquatic toxicity : Category 3

**Product AT USE DILUTION**

Not a hazardous substance or mixture.

**GHS label elements**
**Product AS SOLD**

Hazard pictograms :

Signal Word : Danger

Hazard Statements : Causes skin irritation.  
 Causes serious eye irritation.  
 May cause allergy or asthma symptoms or breathing difficulties if inhaled.  
 Harmful to aquatic life.

# SAFETY DATA SHEET

## ULTRASIL 620

Precautionary Statements : **Prevention:**  
Avoid breathing dust/ fume/ gas/ mist/ vapors/ spray. Wash skin thoroughly after handling. Avoid release to the environment. Wear protective gloves/ eye protection/ face protection. Wear respiratory protection.  
**Response:**  
IF INHALED: Remove person to fresh air and keep comfortable for breathing. If skin irritation occurs: Get medical advice/ attention. If eye irritation persists: Get medical advice/ attention. If experiencing respiratory symptoms: Call a POISON CENTER/doctor.  
**Disposal:**  
Dispose of contents/ container to an approved waste disposal plant.

### Product AT USE DILUTION

Precautionary Statements : **Prevention:**  
Wash hands thoroughly after handling.  
**Response:**  
Get medical advice/ attention if you feel unwell.  
**Storage:**  
Store in accordance with local regulations.

### Product AS SOLD

Other hazards : None known.

## SECTION 3. COMPOSITION/INFORMATION OF INGREDIENTS

### Product AS SOLD

Pure substance/mixture : Mixture

| Chemical name                         | CAS-No.    | Concentration (%) |
|---------------------------------------|------------|-------------------|
| amines, coco alkyl dimethyl, n-oxides | 61788-90-7 | 10 - 30           |
| glycerin                              | 56-81-5    | 5 - 10            |
| Sulphates                             | 126-92-1   | 5 - 10            |
| subtilisin                            | 9014-01-1  | 1 - 5             |

### Product AT USE DILUTION

No hazardous ingredients

## SECTION 4. FIRST AID MEASURES

### Product AS SOLD

In case of eye contact : Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical attention.

In case of skin contact : Wash off immediately with plenty of water for at least 15 minutes. Use a mild soap if available. Get medical attention if irritation develops and persists.

If swallowed : Rinse mouth. Get medical attention if symptoms occur.

If inhaled : Remove to fresh air. Treat symptomatically. Get medical attention.

Protection of first-aiders : If potential for exposure exists refer to Section 8 for specific personal protective equipment.

## SAFETY DATA SHEET

### ULTRASIL 620

Notes to physician : Treat symptomatically.

#### Product AT USE DILUTION

In case of eye contact : Rinse with plenty of water.

In case of skin contact : Rinse with plenty of water.

If swallowed : Rinse mouth. Get medical attention if symptoms occur.

If inhaled : Get medical attention if symptoms occur.

#### Product AS SOLD

##### Expected acute effects

Eyes : Causes serious eye irritation.

Skin : Causes skin irritation.

Ingestion : Health injuries are not known or expected under normal use.

Inhalation : May cause allergic respiratory reaction.

##### Expected chronic effects

Chronic Exposure : Health injuries are not known or expected under normal use.

#### Product AT USE DILUTION

##### Expected acute effects

Eyes : Health injuries are not known or expected under normal use.

Skin : Health injuries are not known or expected under normal use.

Ingestion : Health injuries are not known or expected under normal use.

Inhalation : Health injuries are not known or expected under normal use.

##### Expected chronic effects

Chronic Exposure : Health injuries are not known or expected under normal use.

#### Most important symptoms / effects

#### Product AS SOLD

Eye contact : Redness, Pain, Irritation

Skin contact : Redness, Irritation

Ingestion : No symptoms known or expected.

Inhalation : May cause allergy or asthma symptoms or breathing difficulties if inhaled.

#### Product AT USE DILUTION

Eye contact : No symptoms known or expected.

Skin contact : No symptoms known or expected.

Ingestion : No symptoms known or expected.

Inhalation : No symptoms known or expected.

# SAFETY DATA SHEET

## ULTRASIL 620

### SECTION 5. FIREFIGHTING MEASURES

#### Product AS SOLD

- Extinguishing Agents : Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.
- Unsuitable extinguishing agents : None known.
- Specific hazards during fire fighting : Not flammable or combustible.
- Products generated in combustion and thermal degradation : Decomposition products may include the following materials:  
Carbon oxides  
Nitrogen oxides (NO<sub>x</sub>)  
Sulfur oxides  
Oxides of phosphorus
- Precautions for Emergency Personnel and / or Firefighters : Use personal protective equipment.
- Specific extinguishing methods : Collect contaminated fire extinguishing water separately. This must not be discharged into drains. Fire residues and contaminated fire extinguishing water must be disposed of in accordance with local regulations.

### SECTION 6. MEASURES IN CASE OF ACCIDENTAL SPILLAGE

#### Product AS SOLD

- Personal precautions, protective equipment and emergency procedures : Ensure clean-up is conducted by trained personnel only. Refer to protective measures listed.
- Environmental precautions : Do not allow contact with soil, surface or ground water.
- Methods and materials for containment and cleaning up : Stop leak if safe to do so. Contain spillage, and then collect with non-combustible absorbent material, (e.g. sand, earth, diatomaceous earth, vermiculite) and place in container for disposal according to local / national regulations (see section 13). Flush away traces with water. For large spills, dike spilled material or otherwise contain material to ensure runoff does not reach a waterway.

#### Product AT USE DILUTION

- Personal precautions, protective equipment and emergency procedures : Refer to protective measures listed.
- Environmental precautions : No special environmental precautions required.
- Methods and materials for containment and cleaning up : Stop leak if safe to do so. Contain spillage, and then collect with non-combustible absorbent material, (e.g. sand, earth, diatomaceous earth, vermiculite) and place in container for disposal according to local / national regulations (see section 13). Flush away traces with water. For large spills, dike spilled material or otherwise contain material to ensure runoff does not reach a waterway.

### SECTION 7. HANDLING AND STORAGE

## SAFETY DATA SHEET

### ULTRASIL 620

#### Product AS SOLD

##### Handling

Advice on safe handling : Avoid contact with skin and eyes. Do not breathe dust/ fume/ gas/ mist/ vapors/ spray. Use only with adequate ventilation. Wash hands thoroughly after handling.

##### Storage

Conditions for safe storage : Keep out of reach of children. Keep container tightly closed. Store in suitable labeled containers.

Recommended and unsuitable packaging by supplier : Use high density plastic containers.

Storage temperature : 5 °C to 50 °C

#### Product AT USE DILUTION

##### Handling

Advice on safe handling : Wash hands after handling. For personal protection see section 8.

##### Storage

Conditions for safe storage : Keep out of reach of children. Store in suitable labeled containers.

Recommended and unsuitable packaging by supplier : Use high density plastic containers.

### SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

#### Product AS SOLD

##### Ingredients with workplace control parameters

| Ingredients | CAS-No.   | Form of exposure          | Permissible concentration                     | Basis             |
|-------------|-----------|---------------------------|-----------------------------------------------|-------------------|
| glycerin    | 56-81-5   | CMP (Mist)                | 10 mg/m3                                      | AR OEL            |
| glycerin    | 56-81-5   | TWA (Mist)                | 10 mg/m3                                      | PE OEL            |
| glycerin    | 56-81-5   | L-8/40 (Mist)             | 10 mg/m3                                      | VE OEL            |
| glycerin    | 56-81-5   | LMPE-PPT                  | 10 mg/m3                                      | MX OEL            |
| glycerin    | 56-81-5   | TWA                       | 10 mg/m3                                      | ACGIH             |
|             |           | TWA (respirable fraction) | 5 mg/m3                                       | OSHA Z1           |
| subtilisin  | 9014-01-1 | CMP-C                     | 0,00006 mg/m3 (crystalline active enzyme)     | AR OEL            |
| subtilisin  | 9014-01-1 | CEIL                      | 0,00006 mg/m3                                 | PE OEL            |
| subtilisin  | 9014-01-1 | VLE-P                     | 0,00006 mg/m3 (100% pure crystalline enzymes) | NOM-010-STPS-2014 |
| subtilisin  | 9014-01-1 | C                         | 0,00006 mg/m3 (crystalline active enzyme)     | ACGIH             |
|             |           | STEL                      | 0,00006 mg/m3                                 | NIOSH REL         |

Engineering measures : Effective exhaust ventilation system. Maintain air concentrations below occupational exposure standards.

## SAFETY DATA SHEET

### ULTRASIL 620

#### Personal protective equipment

|                        |                                                                                                                                                                                                                  |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Eye protection         | : Safety glasses with side-shields                                                                                                                                                                               |
| Hand protection        | : Wear the following personal protective equipment:<br>Impervious gloves, resistant to chemicals.<br>Gloves should be discarded and replaced if there is any indication of degradation or chemical breakthrough. |
| Skin protection        | : No special protective equipment required.                                                                                                                                                                      |
| Respiratory protection | : When workers are facing concentrations above the exposure limit they must use appropriate certified respirators.                                                                                               |
| Hygiene measures       | : Handle in accordance with good industrial hygiene and safety practice. Wash face, hands and any exposed skin thoroughly after handling.                                                                        |

#### Product AT USE DILUTION

|                      |                                                                                                      |
|----------------------|------------------------------------------------------------------------------------------------------|
| Engineering measures | : Good general ventilation should be sufficient to control worker exposure to airborne contaminants. |
|----------------------|------------------------------------------------------------------------------------------------------|

#### Personal protective equipment

|                        |                                                                   |
|------------------------|-------------------------------------------------------------------|
| Eye protection         | : No special protective equipment required.                       |
| Hand protection        | : No special protective equipment required.                       |
| Skin protection        | : No special protective equipment required.                       |
| Respiratory protection | : No personal respiratory protective equipment normally required. |

## SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES

|                                         | Product AS SOLD                                | Product AT USE DILUTION |
|-----------------------------------------|------------------------------------------------|-------------------------|
| Appearance                              | : liquid                                       | liquid                  |
| Color                                   | : clear, brown                                 | colorless               |
| Odor                                    | : soapy                                        | not significant         |
| pH                                      | : 6,34 - 6,9, (1 %)                            | 6,0 - 8,0               |
| Flash point                             | : Not applicable, Does not sustain combustion. |                         |
| Odor Threshold                          | : No data available                            |                         |
| Melting point/freezing point            | : No data available                            |                         |
| Initial boiling point and boiling range | : 100 °C                                       |                         |
| Evaporation rate                        | : No data available                            |                         |
| Flammability (solid, gas)               | : No data available                            |                         |
| Upper explosion limit                   | : No data available                            |                         |
| Lower explosion limit                   | : No data available                            |                         |
| Vapor pressure                          | : No data available                            |                         |
| Relative vapor density                  | : No data available                            |                         |
| Relative density                        | : 1,0 - 1,05                                   |                         |

|-----------------------------------|-------------------------------------------|
| Acute oral toxicity               | : Acute toxicity estimate : > 5.000 mg/kg |
| Acute inhalation toxicity         | : No data available                       |
| Acute dermal toxicity             | : Acute toxicity estimate : > 5.000 mg/kg |
| Skin corrosion/irritation         | : No data available                       |
| Serious eye damage/eye irritation | : No data available                       |
| Respiratory or skin sensitization | : No data available                       |
| Carcinogenicity                   | : No data available                       |
| Reproductive effects              | : No data available                       |

## SAFETY DATA SHEET

### ULTRASIL 620

Germ cell mutagenicity : No data available  
Teratogenicity : No data available  
STOT-single exposure : No data available  
STOT-repeated exposure : No data available  
Aspiration toxicity : No data available

## SECTION 12. ECOLOGICAL INFORMATION

### Product AS SOLD Ecotoxicity

Environmental Effects : Toxic to aquatic life. Harmful to aquatic life.

### Product

Toxicity to fish : No data available  
Toxicity to daphnia and other aquatic invertebrates : 48 h EC50 Daphnia magna (Water flea): 10,5 mg/l  
Test substance: Product  
Toxicity to algae : No data available

### Ingredients

Toxicity to fish : amines, coco alkyltrimethyl, n-oxides  
96 h LC50 Fish: 1 mg/l  
  
glycerin  
96 h LC50 Fish: 855 mg/l  
  
Sulphates  
96 h LC50 Fish: > 100 mg/l

### Persistence and degradability

### Product AS SOLD Biodegradable

### Product AT USE DILUTION Biodegradable

### Bioaccumulative potential

No data available

### Mobility in soil

No data available

### Other adverse effects

No data available

## SECTION 13. INFORMATION OF DISPOSAL

### Product AS SOLD

Disposal methods : The product should not be allowed to enter drains, water courses or the soil. Where possible recycling is preferred to disposal or incineration. If recycling is not practicable, dispose of in compliance with local regulations. Dispose of wastes in an approved waste disposal facility.

## SAFETY DATA SHEET

### ULTRASIL 620

- Disposal considerations : Dispose of as unused product. Empty containers should be taken to an approved waste handling site for recycling or disposal. Do not re-use empty containers. Dispose of in accordance with local, state, and federal regulations.
- Disposal of contaminated packaging : In accordance with what is described by Supreme Decree No. 148, the packaging of the product is considered hazardous waste and must be disposed of through companies authorized to receive and / or treat such waste, which must be issued and final disposal certificate waste.

#### Product AT USE DILUTION

- Disposal methods : Diluted product can be flushed to sanitary sewer.
- Disposal considerations : Dispose of in accordance with local, state, and federal regulations.
- Disposal of contaminated packaging : In accordance with what is described by Supreme Decree No. 148, the packaging of the product is considered hazardous waste and must be disposed of through companies authorized to receive and / or treat such waste, which must be issued and final disposal certificate waste.

## SECTION 14. TRANSPORT INFORMATION

### Product AS SOLD

The shipper/consignor/sender is responsible to ensure that the packaging, labeling, and markings are in compliance with the selected mode of transport.

#### Land transport

##### Official transport classification of the United Nations

Not dangerous goods

#### Air transport (IATA)

##### Official transport classification of the United Nations

Contact Regulatory for air freight eligibility

#### Sea transport (IMDG/IMO)

##### Official transport classification of the United Nations

Not dangerous goods

## SECTION 15. REGULATORY INFORMATION

### Registrations and Certifications

Chile: Our HDS meets Chilean Normative: NCH 2245: 2015 (Safety Data Sheet for chemical products - Content and order of sections)

The receiver should pay attention to the possible existence of local regulations.

NCh 1411: Prevention of risks, IV identification of risks of materials

NCh 2190: Transportation of Hazardous Substances - Pictograms for hazard identification

NCh 382: Dangerous Good - Classification

D.S. No. 594: Minimum basic conditions in the workplace

D.S. No. 148: Hazardous waste disposal

D.S. No. 72: Mining Safety Regulations

D. S. No. 43: reports on the storage of hazardous substances

D. S. No. 40: Reporting on exposure hazards
