

## SAFETY DATA SHEET

### KAY GRAFFITI REMOVER

#### Section: 1. PRODUCT AND COMPANY IDENTIFICATION

Product name : KAY GRAFFITI REMOVER

Other means of identification : Not applicable.

Recommended use : Cleaning product

Restrictions on use : Reserved for industrial and professional use.

Product dilution information : Product is sold ready to use.

Company : Ecolab Sdn. Bhd.  
Suite 12-01, 12-02 & 12-03A  
Level 12, The Pinnacle  
Persiaran Lagoon  
Bandar Sunway  
46150 Petaling Jaya  
Selangor Darul Ehsan

+603 7628 5200

Emergency telephone number : 1-800-80-1110

Issuing date : 13.09.2017

#### Section: 2. HAZARDS IDENTIFICATION

##### GHS Classification

Serious eye damage/eye irritation : Category 2

##### GHS Label element

Hazard pictograms :

Signal Word : Warning

Hazard Statements : Causes serious eye irritation.

Precautionary Statements : **Prevention:**  
Wash skin thoroughly after handling.  
**Response:**  
IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/ attention.

Other hazards : None known.

#### Section: 3. COMPOSITION/INFORMATION ON INGREDIENTS

Pure substance/mixture : Mixture

| Chemical Name | CAS-No. | Concentration: (%) |
|---------------|---------|--------------------|
|---------------|---------|--------------------|

## SAFETY DATA SHEET

### KAY GRAFFITI REMOVER

2-methylpentane-2,4-diol  
Ethyl Lactate

107-41-5  
97-64-3

10 - 30  
10 - 30

#### Section: 4. FIRST AID MEASURES

- In case of eye contact : IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/ attention.
- In case of skin contact : Rinse with plenty of water.
- If swallowed : Rinse mouth. Get medical attention if symptoms occur.
- If inhaled : Remove to fresh air. Treat symptomatically. Get medical attention if symptoms occur.
- Protection of first-aiders : If potential for exposure exists refer to Section 8 for specific personal protective equipment.
- Notes to physician : Treat symptomatically.
- Most important symptoms and effects, both acute and delayed : See Section 11 for more detailed information on health effects and symptoms.

#### Section: 5. FIREFIGHTING MEASURES

- Suitable extinguishing media : Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.
- Unsuitable extinguishing media : High volume water jet
- Specific hazards during firefighting : Fire Hazard  
Keep away from heat and sources of ignition.  
Flash back possible over considerable distance.
- Hazardous combustion products : Decomposition products may include the following materials:  
Carbon oxides  
nitrogen oxides (NOx)  
Sulphur oxides  
Oxides of phosphorus
- Special protective equipment for firefighters : Use personal protective equipment.
- Specific extinguishing methods : Fire residues and contaminated fire extinguishing water must be disposed of in accordance with local regulations. In the event of fire and/or explosion do not breathe fumes.

#### Section: 6. ACCIDENTAL RELEASE MEASURES

- Personal precautions, protective equipment and emergency procedures : Remove all sources of ignition. Ensure clean-up is conducted by trained personnel only. Refer to protective measures listed in sections 7 and 8.
- Environmental precautions : Do not allow contact with soil, surface or ground water.

## SAFETY DATA SHEET

### KAY GRAFFITI REMOVER

Methods and materials for containment and cleaning up : Eliminate all ignition sources if safe to do so. Stop leak if safe to do so. Contain spillage, and then collect with non-combustible absorbent material, (e.g. sand, earth, diatomaceous earth, vermiculite) and place in container for disposal according to local / national regulations (see section 13). Flush away traces with water. For large spills, dike spilled material or otherwise contain material to ensure runoff does not reach a waterway.

#### Section: 7. HANDLING AND STORAGE

Advice on safe handling : Avoid contact with skin and eyes. Do not breathe dust/fume/gas/mist/vapours/spray. Use only with adequate ventilation. Keep away from fire, sparks and heated surfaces. Take necessary action to avoid static electricity discharge (which might cause ignition of organic vapours). Wash hands thoroughly after handling.

Conditions for safe storage : Keep away from heat and sources of ignition. Keep away from oxidizing agents. Keep out of reach of children. Keep container tightly closed. Store in suitable labeled containers.

Storage temperature : 0 °C to 50 °C

#### Section: 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

##### Components with workplace control parameters

| Components               | CAS-No.  | Form of exposure | Permissible concentration       | Basis  |
|--------------------------|----------|------------------|---------------------------------|--------|
| 2-methylpentane-2,4-diol | 107-41-5 | CEIL             | 25 ppm<br>121 mg/m <sup>3</sup> | MY OEL |

Engineering measures : Effective exhaust ventilation system. Maintain air concentrations below occupational exposure standards.

##### Personal protective equipment

Eye protection : Safety glasses with side-shields

Hand protection : No special protective equipment required.

Skin protection : No special protective equipment required.

Respiratory protection : When workers are facing concentrations above the exposure limit they must use appropriate certified respirators.

Hygiene measures : Handle in accordance with good industrial hygiene and safety practice. Wash face, hands and any exposed skin thoroughly after handling.

#### Section: 9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance : liquid  
Colour : clear, light yellow  
Odour : pungent  
pH : 4.1 - 8.9, (100 %)

## SAFETY DATA SHEET

### KAY GRAFFITI REMOVER

|                                         |                                                            |
|-----------------------------------------|------------------------------------------------------------|
| Flash point                             | : 77 °C closed cup, Does not sustain combustion.           |
| Odour Threshold                         | : no data available                                        |
| Melting point/freezing point            | : no data available                                        |
| Initial boiling point and boiling range | : no data available                                        |
| Evaporation rate                        | : no data available                                        |
| Flammability (solid, gas)               | : no data available                                        |
| Upper explosion limit                   | : no data available                                        |
| Lower explosion limit                   | : no data available                                        |
| Vapour pressure                         | : no data available                                        |
| Relative vapour density                 | : no data available                                        |
| Relative density                        | : 0.9 - 0.912                                              |
| Water solubility                        | : insoluble                                                |
| Solubility in other solvents            | : no data available                                        |
| Partition coefficient: n-octanol/water  | : no data available                                        |
| Auto-ignition temperature               | : no data available                                        |
| Thermal decomposition                   | : no data available                                        |
| Viscosity, kinematic                    | : no data available                                        |
| Explosive properties                    | : no data available                                        |
| Oxidizing properties                    | : The substance or mixture is not classified as oxidizing. |
| Molecular weight                        | : no data available                                        |
| VOC                                     | : no data available                                        |

### Section: 10. STABILITY AND REACTIVITY

|                                    |                                                                                                                                                   |
|------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| Chemical stability                 | : Stable under normal conditions.                                                                                                                 |
| Possibility of hazardous reactions | : No dangerous reaction known under conditions of normal use.                                                                                     |
| Conditions to avoid                | : Heat, flames and sparks.                                                                                                                        |
| Incompatible materials             | : None known.                                                                                                                                     |
| Hazardous decomposition products   | : Decomposition products may include the following materials:<br>Carbon oxides<br>nitrogen oxides (NOx)<br>Sulphur oxides<br>Oxides of phosphorus |

### Section: 11. TOXICOLOGICAL INFORMATION

Information on likely routes of exposure : Inhalation, Eye contact, Skin contact

#### Potential Health Effects

Eyes : Causes serious eye irritation.

## SAFETY DATA SHEET

### KAY GRAFFITI REMOVER

Skin : Health injuries are not known or expected under normal use.  
Ingestion : Health injuries are not known or expected under normal use.  
Inhalation : Health injuries are not known or expected under normal use.  
Chronic Exposure : Health injuries are not known or expected under normal use.

#### Experience with human exposure

Eye contact : Redness, Pain, Irritation  
Skin contact : No symptoms known or expected.  
Ingestion : No symptoms known or expected.  
Inhalation : No symptoms known or expected.

#### Toxicity

##### Product

Acute oral toxicity : no data available  
Acute inhalation toxicity : no data available  
Acute dermal toxicity : no data available  
Skin corrosion/irritation : no data available  
Serious eye damage/eye irritation : Mild eye irritation  
Test substance: Product  
Respiratory or skin sensitization : no data available  
Carcinogenicity : no data available  
Reproductive effects : no data available  
Germ cell mutagenicity : no data available  
Teratogenicity : no data available  
STOT - single exposure : no data available  
STOT - repeated exposure : no data available  
Aspiration toxicity : no data available

##### Components

Acute oral toxicity : 2-methylpentane-2,4-diol  
LD50 rat: 2,000 mg/kg  
  
Ethyl Lactate  
LD50 rat: 5,000 mg/kg

##### Components

Acute inhalation toxicity : 2-methylpentane-2,4-diol  
4 h LC50 rat: 1.1 mg/l

##### Components

Acute dermal toxicity : 2-methylpentane-2,4-diol  
LD50 rat: 2,000 mg/kg

## SAFETY DATA SHEET

### KAY GRAFFITI REMOVER

Ethyl Lactate  
LD50 rabbit: 5,000 mg/kg

#### Section: 12. ECOLOGICAL INFORMATION

##### Ecotoxicity

Environmental Effects : This product has no known ecotoxicological effects.

##### Product

Toxicity to fish : no data available

Toxicity to daphnia and other aquatic invertebrates : no data available

Toxicity to algae : no data available

##### Components

Toxicity to fish : Ethyl Lactate  
96 h LC50 Fish: 305 mg/l

##### Components

Toxicity to daphnia and other aquatic invertebrates : 2-methylpentane-2,4-diol  
48 h EC50 Daphnia: 2,800 mg/l

##### Persistence and degradability

Biodegradable

##### Bioaccumulative potential

no data available

##### Mobility in soil

no data available

##### Other adverse effects

no data available

#### Section: 13. DISPOSAL CONSIDERATIONS

Disposal methods : Where possible recycling is preferred to disposal or incineration. If recycling is not practicable, dispose of in compliance with local regulations. Dispose of wastes in an approved waste disposal facility.

The product should not be allowed to enter drains, water courses or the soil.

Disposal considerations : Dispose of as unused product. Empty containers should be taken to an approved waste handling site for recycling or disposal. Do not re-use empty containers. Dispose of in accordance with local, state, and federal regulations.

#### Section: 14. TRANSPORT INFORMATION

The shipper/consignor/sender is responsible to ensure that the packaging, labeling, and markings are in compliance with the selected mode of transport.

## SAFETY DATA SHEET

### KAY GRAFFITI REMOVER

#### Land transport

Not dangerous goods

#### Sea transport (IMDG/IMO)

Not dangerous goods

### Section: 15. REGULATORY INFORMATION

#### National Regulations

Occupational Safety and Health (Classification, Labelling and Safety Data Sheet of Hazardous Chemicals) Regulation 2013  
Occupational Safety and Health Act 1994  
Environmental Quality Act 1974

The components of this product are reported in the following inventories:

#### United States TSCA Inventory :

On TSCA Inventory

#### Canadian Domestic Substances List (DSL) :

All components of this product are on the Canadian DSL.

#### Australia. Industrial Chemical (Notification and Assessment) Act :

On the inventory, or in compliance with the inventory

#### New Zealand. Inventory of Chemicals (NZIoC), as published by ERMA New Zealand :

On the inventory, or in compliance with the inventory

#### Japan. ENCS - Existing and New Chemical Substances Inventory :

not determined

#### Korea. Korean Existing Chemicals Inventory (KECI) :

On the inventory, or in compliance with the inventory

#### Philippines Inventory of Chemicals and Chemical Substances (PICCS) :

not determined

#### China Inventory of Existing Chemical Substances :

On the inventory, or in compliance with the inventory

#### Taiwan Chemical Substance Inventory :

On the inventory, or in compliance with the inventory

### Section: 16. OTHER INFORMATION

Issuing date : 13.09.2017  
Version : 1.2  
Prepared by : Regulatory Affairs

REVISED INFORMATION: Significant changes to regulatory or health information for this revision is indicated by a bar in the left-hand margin of the SDS.

## **SAFETY DATA SHEET**

### **KAY GRAFFITI REMOVER**

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text.
