

## SAFETY DATA SHEET

NEOKLENE

### SECTION 1. PRODUCT AND COMPANY IDENTIFICATION

Product name : NEOKLENE

Other means of identification : Not applicable

Recommended use : Manual Warewashing Detergent

Product dilution information : 1.0 % - 30.0 %

Company : ECOLAB VIETNAM CO., LTD.  
8th Floor, UNIT 8.2B - E.TOWN 2 Building, 364 Cong Hoa Street,  
Ward 13,  
Tan Binh District, Ho Chi Minh City, Vietnam  
TEL: +84 28 3528 5100

Emergency telephone : +(84)-444581938

Issuing date : 30.11.2020

### SECTION 2. HAZARDS IDENTIFICATION

#### GHS Classification

##### Product AS SOLD

Skin corrosion/irritation : Category 3

Serious eye damage/eye irritation : Category 2B

Short-term (acute) aquatic hazard : Category 3

##### Product AT USE DILUTION

Skin corrosion/irritation : Category 3

Short-term (acute) aquatic hazard : Category 3

#### GHS label elements

##### Product AS SOLD

Signal Word : Warning

Hazard Statements : Causes mild skin irritation.  
Causes eye irritation.  
Harmful to aquatic life.

Precautionary Statements : **Prevention:**  
Wash skin thoroughly after handling. Avoid release to the environment.  
**Response:**  
IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If skin irritation occurs: Get medical advice/ attention. If eye irritation persists: Get medical advice/ attention.  
**Disposal:**  
Dispose of contents/ container to an approved waste disposal plant.

#### Product AS SOLD

Other hazards : None known.

### SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS

#### Product AS SOLD

Pure substance/mixture : Mixture

| Chemical name                                    | CAS-No.    | Concentration (%) |
|--------------------------------------------------|------------|-------------------|
| Dodecylbenzenesulfonic acid, sodium salt         | 25155-30-0 | 15 - 30           |
| Sodium poly(oxyethylene) dodecyl ether sulfonate | 9004-82-4  | 3 - 5             |

#### Product AT USE DILUTION

| Chemical name                            | CAS-No.    | Concentration (%) |
|------------------------------------------|------------|-------------------|
| Dodecylbenzenesulfonic acid, sodium salt | 25155-30-0 | 3 - 5             |

### SECTION 4. FIRST AID MEASURES

#### Product AS SOLD

|                                                             |                                                                                |
|-------------------------------------------------------------|--------------------------------------------------------------------------------|
| In case of eye contact                                      | : Rinse with plenty of water.                                                  |
| In case of skin contact                                     | : Rinse with plenty of water.                                                  |
| If swallowed                                                | : Rinse mouth. Get medical attention if symptoms occur.                        |
| If inhaled                                                  | : Get medical attention if symptoms occur.                                     |
| Protection of first-aiders                                  | : No special precautions are necessary for first aid responders.               |
| Notes to physician                                          | : Treat symptomatically.                                                       |
| Most important symptoms and effects, both acute and delayed | : See Section 11 for more detailed information on health effects and symptoms. |

|                         |                                                         |
|-------------------------|---------------------------------------------------------|
| In case of eye contact  | : Rinse with plenty of water.                           |
| In case of skin contact | : Rinse with plenty of water.                           |
| If swallowed            | : Rinse mouth. Get medical attention if symptoms occur. |
| If inhaled              | : Get medical attention if symptoms occur.              |

### SECTION 5. FIRE-FIGHTING MEASURES

## SAFETY DATA SHEET

### NEOKLENE

#### Product AS SOLD

- Suitable extinguishing media : Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.
- Unsuitable extinguishing media : None known.
- Specific hazards during fire fighting : Not flammable or combustible.
- Hazardous combustion products : Decomposition products may include the following materials:  
Carbon oxides  
Sulfur oxides
- Special protective equipment for fire-fighters : Use personal protective equipment.
- Specific extinguishing methods : Fire residues and contaminated fire extinguishing water must be disposed of in accordance with local regulations. In the event of fire and/or explosion do not breathe fumes.

### SECTION 6. ACCIDENTAL RELEASE MEASURES

#### Product AS SOLD

- Personal precautions, protective equipment and emergency procedures : Ensure clean-up is conducted by trained personnel only. Refer to protective measures listed in sections 7 and 8.
- Environmental precautions : Do not allow contact with soil, surface or ground water.
- Methods and materials for containment and cleaning up : Stop leak if safe to do so. Contain spillage, and then collect with non-combustible absorbent material, (e.g. sand, earth, diatomaceous earth, vermiculite) and place in container for disposal according to local / national regulations (see section 13). For large spills, dike spilled material or otherwise contain material to ensure runoff does not reach a waterway.

#### Product AT USE DILUTION

- Personal precautions, protective equipment and emergency procedures : Ensure clean-up is conducted by trained personnel only. Refer to protective measures listed in sections 7 and 8.
- Environmental precautions : Do not allow contact with soil, surface or ground water.
- Methods and materials for containment and cleaning up : Stop leak if safe to do so. Contain spillage, and then collect with non-combustible absorbent material, (e.g. sand, earth, diatomaceous earth, vermiculite) and place in container for disposal according to local / national regulations (see section 13). For large spills, dike spilled material or otherwise contain material to ensure runoff does not reach a waterway.

### SECTION 7. HANDLING AND STORAGE

#### Product AS SOLD

- Advice on safe handling : Wash hands thoroughly after handling. In case of mechanical malfunction, or if in contact with unknown dilution of product, wear full Personal Protective Equipment (PPE).
- Conditions for safe storage : Keep out of reach of children. Keep container tightly closed. Store in

# SAFETY DATA SHEET

## NEOKLENE

suitable labeled containers.

Storage temperature : 5 °C to 45 °C

### Product AT USE DILUTION

Advice on safe handling : Wash hands thoroughly after handling. In case of mechanical malfunction, or if in contact with unknown dilution of product, wear full Personal Protective Equipment (PPE).

Conditions for safe storage : Keep out of reach of children. Keep container tightly closed. Store in suitable labeled containers.

## SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

### Product AS SOLD

#### Ingredients with workplace control parameters

Contains no substances with occupational exposure limit values.

Engineering measures : Good general ventilation should be sufficient to control worker exposure to airborne contaminants.

#### Personal protective equipment

Eye protection : No special protective equipment required.

Hand protection : Wear the following personal protective equipment:  
Standard glove type.  
Nitrile  
Neoprene gloves  
Gloves should be discarded and replaced if there is any indication of degradation or chemical breakthrough.

Skin protection : No special protective equipment required.

Respiratory protection : No personal respiratory protective equipment normally required.

Hygiene measures : Handle in accordance with good industrial hygiene and safety practice. Wash face, hands and any exposed skin thoroughly after handling.

| Oxidizing properties                    | : The substance or mixture is not classified as oxidizing. |                         |
| Molecular weight                        | : No data available                                        |                         |
| VOC                                     | : No data available                                        |                         |

#### SECTION 10. STABILITY AND REACTIVITY

##### Product AS SOLD

|                                    |                                                                    |
|------------------------------------|--------------------------------------------------------------------|
| Reactivity                         | : No dangerous reaction known under conditions of normal use.      |
| Chemical stability                 | : Stable under normal conditions.                                  |
| Possibility of hazardous reactions | : No dangerous reaction known under conditions of normal use.      |
| Conditions to avoid                | : None known.                                                      |
| Incompatible materials             | : None known.                                                      |
| Hazardous decomposition            | : In case of fire hazardous decomposition products may be produced |

## NEOKLENE

such as:  
Carbon oxides  
Sulfur oxides

Information on likely routes of exposure : Inhalation, Eye contact, Skin contact

Chronic Exposure : Health injuries are not known or expected under normal use.

Chronic Exposure : Health injuries are not known or expected under normal use.

Inhalation : No symptoms known or expected.

Inhalation : No symptoms known or expected.

Acute oral toxicity : Acute toxicity estimate : > 5,000 mg/kg

## SAFETY DATA SHEET

|------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|

#### Persistence and degradability

##### Product AS SOLD

Readily biodegradable.

##### Bioaccumulative potential

No data available

##### Mobility in soil

No data available

##### Other adverse effects

## SAFETY DATA SHEET

### NEOKLENE

No data available

#### SECTION 13. DISPOSAL CONSIDERATIONS

##### Product AS SOLD

Disposal methods : Where possible recycling is preferred to disposal or incineration. If recycling is not practicable, dispose of in compliance with local regulations. Dispose of wastes in an approved waste disposal facility.

The product should not be allowed to enter drains, water courses or the soil.

Disposal considerations : Dispose of as unused product. Empty containers should be taken to an approved waste handling site for recycling or disposal. Do not re-use empty containers. Dispose of in accordance with local, state, and federal regulations.

##### Product AT USE DILUTION

Disposal methods : Where possible recycling is preferred to disposal or incineration. If recycling is not practicable, dispose of in compliance with local regulations. Dispose of wastes in an approved waste disposal facility.

The product should not be allowed to enter drains, water courses or the soil.

Disposal considerations : Dispose of as unused product. Empty containers should be taken to an approved waste handling site for recycling or disposal. Do not re-use empty containers. Dispose of in accordance with local, state, and federal regulations.

#### SECTION 14. TRANSPORT INFORMATION

##### Product AS SOLD

The shipper/consignor/sender is responsible to ensure that the packaging, labeling, and markings are in compliance with the selected mode of transport.

##### Land transport

Not dangerous goods

##### Sea transport (IMDG/IMO)

Not dangerous goods

#### SECTION 15. REGULATORY INFORMATION
