## SAFETY DATA SHEET

### FIRST IMPRESSION MANDARIN BURST MICRO AEROSOL

Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Avoid breathing dust/ fume/ gas/ mist/ vapors/ spray. Wash skin thoroughly after handling. Use only outdoors or in a well-ventilated area. Contaminated work clothing must not be allowed out of the workplace. Avoid release to the environment. Wear protective gloves/ eye protection/ face protection.

**Response:**

IF ON SKIN: Wash with plenty of soap and water. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor/ physician if you feel unwell. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If skin irritation or rash occurs: Get medical advice/ attention. If eye irritation persists: Get medical advice/ attention. Take off contaminated clothing and wash before reuse. Collect spillage.

**Storage:**

Store in a well-ventilated place. Keep container tightly closed. Store locked up. Protect from sunlight. Do not expose to temperatures exceeding 50 °C/ 122 °F.

**Disposal:**

Dispose of contents/ container to an approved waste disposal plant.

**Other hazards** : None known.

### SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS

Pure substance/mixture : Mixture

| Chemical name            | CAS-No.                | Concentration (%) |
|--------------------------|------------------------|-------------------|
| Fragrance                | Proprietary Ingredient | 10 - 30           |
| 2-methylpentane-2,4-diol | 107-41-5               | 10 - 30           |
| ethanol                  | 64-17-5                | 10 - 30           |
| d-Limonene               | 5989-27-5              | 10 - 30           |
| butane                   | 106-97-8               | 10 - 30           |

### SECTION 4. FIRST AID MEASURES

|                                                             |                                                                                                                                                                                            |
|-------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| In case of eye contact                                      | : Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical attention.      |
| In case of skin contact                                     | : Wash off immediately with plenty of water for at least 15 minutes. Use a mild soap if available. Wash clothing before reuse. Thoroughly clean shoes before reuse. Get medical attention. |
| If swallowed                                                | : Rinse mouth. Get medical attention if symptoms occur.                                                                                                                                    |
| If inhaled                                                  | : Remove to fresh air. Treat symptomatically. Get medical attention if symptoms occur.                                                                                                     |
| Protection of first-aiders                                  | : If potential for exposure exists refer to Section 8 for specific personal protective equipment.                                                                                          |
| Notes to physician                                          | : Treat symptomatically.                                                                                                                                                                   |
| Most important symptoms and effects, both acute and delayed | : See Section 11 for more detailed information on health effects and symptoms.                                                                                                             |

## SAFETY DATA SHEET

### FIRST IMPRESSION MANDARIN BURST MICRO AEROSOL

#### SECTION 5. FIRE-FIGHTING MEASURES

- Suitable extinguishing media : Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.
- Unsuitable extinguishing media : High volume water jet
- Specific hazards during fire fighting : Pressurised container: May burst if heated.  
Flammable aerosols
- Hazardous combustion products : Decomposition products may include the following materials:  
Carbon oxides
- Special protective equipment for fire-fighters : Use personal protective equipment.
- Specific extinguishing methods : Collect contaminated fire extinguishing water separately. This must not be discharged into drains. Fire residues and contaminated fire extinguishing water must be disposed of in accordance with local regulations. In the event of fire and/or explosion do not breathe fumes.

#### SECTION 6. ACCIDENTAL RELEASE MEASURES

- Personal precautions, protective equipment and emergency procedures : Ensure clean-up is conducted by trained personnel only. Refer to protective measures listed in sections 7 and 8.
- Environmental precautions : Do not allow contact with soil, surface or ground water.
- Methods and materials for containment and cleaning up : Stop leak if safe to do so.

#### SECTION 7. HANDLING AND STORAGE

- Advice on safe handling : Avoid contact with skin and eyes. Use only with adequate ventilation. Contents under pressure. Do not puncture. Wash hands thoroughly after handling. Do not get in eyes, on skin, or on clothing.
- Conditions for safe storage : Keep in a cool, well-ventilated place. Keep out of reach of children. Keep container tightly closed. Store in suitable labeled containers.
- Storage temperature : 5 °C to 45 °C

#### SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

##### Ingredients with workplace control parameters

| Ingredients | CAS-No. | Form of exposure | Permissible concentration            | Basis  |
|-------------|---------|------------------|--------------------------------------|--------|
| ethanol     | 64-17-5 | TWA              | 1,000 ppm<br>1,900 mg/m <sup>3</sup> | TH OEL |

- Engineering measures : Effective exhaust ventilation system. Maintain air concentrations below occupational exposure standards.

## SAFETY DATA SHEET

### FIRST IMPRESSION MANDARIN BURST MICRO AEROSOL

#### Personal protective equipment

|                        |                                                                                                                                                                                                |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Eye protection         | : Due to the form and packaging of the product, no protective equipment is needed under normal use conditions.                                                                                 |
| Hand protection        | : Due to the form and packaging of the product, no protective equipment is needed under normal use conditions.                                                                                 |
| Skin protection        | : Due to the form and packaging of the product, no protective equipment is needed under normal use conditions.                                                                                 |
| Respiratory protection | : Due to the form and packaging of the product, no protective equipment is needed under normal use conditions.                                                                                 |
| Hygiene measures       | : Handle in accordance with good industrial hygiene and safety practice. Remove and wash contaminated clothing before re-use. Wash face, hands and any exposed skin thoroughly after handling. |

#### SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES

|                                         |                                       |
|-----------------------------------------|---------------------------------------|
| Appearance                              | : aerosol                             |
| Color                                   | : clear, amber                        |
| Odor                                    | : Perfumes, fragrances                |
| pH                                      | : 7.0, (100 %)                        |
| Flash point                             | : Not applicable, Sustains combustion |
| Odor Threshold                          | : No data available                   |
| Melting point/freezing point            | : No data available                   |
| Initial boiling point and boiling range | : No data available                   |
| Evaporation rate                        | : No data available                   |
| Flammability (solid, gas)               | : No data available                   |
| Upper explosion limit                   | : No data available                   |
| Lower explosion limit                   | : No data available                   |
| Vapor pressure                          | : No data available                   |
| Relative vapor density                  | : No data available                   |
| Relative density                        | : 0.6 - 0.8                           |
| Water solubility                        | : No data available                   |
| Solubility in other solvents            | : No data available                   |
| Partition coefficient: n-octanol/water  | : No data available                   |
| Autoignition temperature                | : No data available                   |
| Thermal decomposition                   | : No data available                   |
| Viscosity, kinematic                    | : No data available                   |
| Explosive properties                    | : No data available                   |
| Oxidizing properties                    | : No data available                   |
| Molecular weight                        | : No data available                   |

## SAFETY DATA SHEET

### FIRST IMPRESSION MANDARIN BURST MICRO AEROSOL

VOC : No data available  
Heat of combustion : 20.38 kJ/g

#### SECTION 10. STABILITY AND REACTIVITY

Chemical stability : Stable under normal conditions.  
Possibility of hazardous reactions : No dangerous reaction known under conditions of normal use.  
Conditions to avoid : None known.  
Incompatible materials : None known.  
Hazardous decomposition products : Decomposition products may include the following materials:  
Carbon oxides

#### SECTION 11. TOXICOLOGICAL INFORMATION

Information on likely routes of exposure : Eye contact, Skin contact

##### Potential Health Effects

Eyes : Causes serious eye irritation.  
Skin : Causes skin irritation. May cause allergic skin reaction.  
Ingestion : Health injuries are not known or expected under normal use.  
Inhalation : May cause drowsiness or dizziness.  
Chronic Exposure : Health injuries are not known or expected under normal use.

##### Experience with human exposure

Eye contact : Redness, Pain, Irritation  
Skin contact : Redness, Irritation, Allergic reactions  
Ingestion : No symptoms known or expected.  
Inhalation : Dizziness, Drowsiness

##### Toxicity

##### Product

Acute oral toxicity : Acute toxicity estimate : > 5,000 mg/kg  
Acute inhalation toxicity : No data available  
Acute dermal toxicity : No data available  
Skin corrosion/irritation : No data available

## SAFETY DATA SHEET

### FIRST IMPRESSION MANDARIN BURST MICRO AEROSOL

Serious eye damage/eye irritation : No data available

Respiratory or skin sensitization : No data available

Carcinogenicity : No data available

Reproductive effects : No data available

Germ cell mutagenicity : No data available

Teratogenicity : No data available

STOT-single exposure : No data available

STOT-repeated exposure : No data available

Aspiration toxicity : No data available

#### Ingredients

Acute inhalation toxicity : ethanol  
4 h LC50 Rat: 117 mg/l  
Test atmosphere: vapor

#### Ingredients

Acute dermal toxicity : ethanol  
LD50 Rabbit: > 15,800 mg/kg  
  
d-Limonene  
LD50 Rabbit: > 5,000 mg/kg

### SECTION 12. ECOLOGICAL INFORMATION

#### Ecotoxicity

Environmental Effects : Toxic to aquatic life with long lasting effects.

#### Product

Toxicity to fish : No data available

Toxicity to daphnia and other aquatic invertebrates : No data available

Toxicity to algae : No data available

#### Ingredients

Toxicity to fish : ethanol  
96 h LC50 Pimephales promelas: > 100 mg/l

#### Ingredients

Toxicity to daphnia and other aquatic invertebrates : 2-methylpentane-2,4-diol  
48 h EC50: 2,800 mg/l

#### Persistence and degradability

No data available

Readily biodegradable.

#### Bioaccumulative potential

No data available

## SAFETY DATA SHEET

### FIRST IMPRESSION MANDARIN BURST MICRO AEROSOL

#### Mobility in soil

No data available

#### Other adverse effects

No data available

### SECTION 13. DISPOSAL CONSIDERATIONS

- Disposal methods : Where possible recycling is preferred to disposal or incineration. If recycling is not practicable, dispose of in compliance with local regulations. Dispose of wastes in an approved waste disposal facility.
- The product should not be allowed to enter drains, water courses or the soil.
- Disposal considerations : Dispose of as unused product. Empty containers should be taken to an approved waste handling site for recycling or disposal. Do not re-use empty containers. Dispose of in accordance with local, state, and federal regulations.

### SECTION 14. TRANSPORT INFORMATION

The shipper/consignor/sender is responsible to ensure that the packaging, labeling, and markings are in compliance with the selected mode of transport.

#### Land transport

- UN number : 1950
- Description of the goods : AEROSOLS
- Class : 2.1
- Environmentally hazardous : no

#### Air transport (IATA)

- UN number : 1950
- Description of the goods : Aerosols, flammable
- Class : 2.1
- Environmentally hazardous : no

#### Sea transport (IMDG/IMO)

- UN number : 1950
- Description of the goods : AEROSOLS
- Class : 2.1
- Marine pollutant : no

### SECTION 15. REGULATORY INFORMATION

The ingredients of this product are reported in the following inventories:

**Switzerland. New notified substances and declared preparations :**  
not determined

**United States TSCA Inventory :**  
On TSCA Inventory

**Canadian Domestic Substances List (DSL) :**  
All components of this product are on the Canadian DSL

## SAFETY DATA SHEET

### FIRST IMPRESSION MANDARIN BURST MICRO AEROSOL

**Australia Inventory of Chemical Substances (AICS) :**  
not determined

**New Zealand. Inventory of Chemical Substances :**  
not determined

**Japan. ENCS - Existing and New Chemical Substances Inventory :**  
not determined

**Korea. Korean Existing Chemicals Inventory (KECI) :**  
not determined

**Philippines Inventory of Chemicals and Chemical Substances (PICCS) :**  
not determined

**China. Inventory of Existing Chemical Substances in China (IECSC) :**  
not determined

**Taiwan Chemical Substance Inventory (TCSI) :**  
not determined

### SECTION 16. OTHER INFORMATION

|                     |                      |
