Before using ECOSAFE CYCLONE SERIES ENVIRONMENTAL SANITISER QHF, all edible products and packaging materials must be removed from the room or carefully protected. After use, surfaces must be thoroughly rinsed with potable water before production starts.

Consult your Ecolab Representative for specific use instructions & recommended dispensing equipment.

FIRST AID:

Call the NATIONAL POISONS CENTRE 0800 764 766 or doctor/physician if you feel unwell.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do.

Continue rinsing. Immediately call the NATIONAL POISONS CENTRE 0800 764 766 or doctor/physician.

IF ON SKIN (or hair): Remove immediately all contaminated clothing. Rinse skin with water.

IF SWALLOWED: Rinse mouth. DO NOT induce vomiting.

IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing.

PRECAUTIONS:

Keep out of reach of children. Read label before use. Keep only in original container. Wear protective clothing and eye/face protection. Do not breathe mist/vapours/spray. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product.

STORAGE: Store locked up in an upright position away from foodstuffs.

DISPOSAL: Contain spilled material. For small spills add absorbent, scoop up material and place in a sealed, liquid-proof container for disposal. For large spills, dike spilled material or otherwise contain material to ensure runoff does not reach a waterway. Place spilled material in an appropriate container for disposal.
