

**SECTION 1. PRODUCT AND COMPANY IDENTIFICATION**

Product name : OASIS PRO MORNING BREEZE ROOM REFRESHER

Other means of identification : Not applicable

Recommended use : Air Freshener

Product dilution information : 1,56 % - 4,69 %

Company : ECOLAB S. DE R.L. DE C.V.  
EDIFICIO CORPORATIVO CENTURY PLAZA.  
AVENIDA SANTA FE N°. 440 PISO 6 Y 7  
COLONIA SANTA FE  
DELEGACIÓN CUAJIMALPA, CIUDAD DE MEXICO, Mexico  
C.P. 05349  
(55) 1253 1900

Emergency telephone : 01 800 837 2998 Please request assistance in Spanish language

Issuing date : 22.03.2018

**SECTION 2. HAZARDS IDENTIFICATION**
**GHS Classification**
**Product AS SOLD**

|                                      |      |
|--------------------------------------|------|
| Eye irritation, Category 2A          | H319 |
| Acute aquatic toxicity, Category 3   | H402 |
| Chronic aquatic toxicity, Category 3 | H412 |

**Product AT USE DILUTION**

Not a hazardous substance or mixture.

**GHS label elements**
**Product AS SOLD**

Hazard pictograms :

Signal Word : Warning

Hazard Statements : H319 Causes serious eye irritation.  
H412 Harmful to aquatic life with long lasting effects.

Precautionary Statements : **Prevention:**  
P264 Wash skin thoroughly after handling.  
P273 Avoid release to the environment.  
P280 Wear eye protection/ face protection.  
**Response:**  
P305 + P351 + P338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.  
**Disposal:**  
P501 Dispose of contents/ container to an approved waste disposal plant.

## SAFETY DATA SHEET

### OASIS PRO MORNING BREEZE ROOM REFRESHER

#### Product AT USE DILUTION

|                          |   |                            |                                                   |
|--------------------------|---|----------------------------|---------------------------------------------------|
| Precautionary Statements | : | <b>Prevention:</b><br>P264 | Wash hands thoroughly after handling.             |
|                          |   | <b>Response:</b><br>P314   | Get medical advice/ attention if you feel unwell. |
|                          |   | <b>Storage:</b><br>P401    | Store in accordance with local regulations.       |

#### Product AS SOLD

Other hazards : None known.

### SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS

#### Product AS SOLD

Pure substance/mixture : Mixture

| Chemical name                 | CAS-No.                | Concentration (%) |
|-------------------------------|------------------------|-------------------|
| alcohols, c12-16, ethoxylated | 68551-12-2             | 10 - 20           |
| Fragrance                     | Proprietary Ingredient | 5 - 10            |
| Sodium Xylenesulfonate        | 1300-72-7              | 1 - 5             |

#### Product AT USE DILUTION

Non-hazardous ingredients

### SECTION 4. FIRST AID MEASURES

#### Product AS SOLD

|                                                             |   |                                                                                                                                                                                     |
|-------------------------------------------------------------|---|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| In case of eye contact                                      | : | Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical attention. |
| In case of skin contact                                     | : | Rinse with plenty of water.                                                                                                                                                         |
| If swallowed                                                | : | Rinse mouth. Get medical attention if symptoms occur.                                                                                                                               |
| If inhaled                                                  | : | Get medical attention if symptoms occur.                                                                                                                                            |
| Protection of first-aiders                                  | : | If potential for exposure exists refer to Section 8 for specific personal protective equipment.                                                                                     |
| Notes to physician                                          | : | Treat symptomatically.                                                                                                                                                              |
| Most important symptoms and effects, both acute and delayed | : | See Section 11 for more detailed information on health effects and symptoms.                                                                                                        |

#### Product AT USE DILUTION

|                         |   |                                                       |
|-------------------------|---|-------------------------------------------------------|
| In case of eye contact  | : | Rinse with plenty of water.                           |
| In case of skin contact | : | Rinse with plenty of water.                           |
| If swallowed            | : | Rinse mouth. Get medical attention if symptoms occur. |
| If inhaled              | : | Get medical attention if symptoms occur.              |

### SECTION 5. FIRE-FIGHTING MEASURES

## SAFETY DATA SHEET

### OASIS PRO MORNING BREEZE ROOM REFRESHER

#### Product AS SOLD

- Suitable extinguishing media : Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.
- Unsuitable extinguishing media : None known.
- Specific hazards during fire fighting : Not flammable or combustible.
- Hazardous combustion products : Decomposition products may include the following materials:  
Carbon oxides  
Nitrogen oxides (NOx)  
Sulfur oxides  
Oxides of phosphorus
- Special protective equipment for fire-fighters : Use personal protective equipment.
- Specific extinguishing methods : Fire residues and contaminated fire extinguishing water must be disposed of in accordance with local regulations.

### SECTION 6. ACCIDENTAL RELEASE MEASURES

#### Product AS SOLD

- Personal precautions, protective equipment and emergency procedures : Ensure clean-up is conducted by trained personnel only. Refer to protective measures listed.
- Environmental precautions : Do not allow contact with soil, surface or ground water.
- Methods and materials for containment and cleaning up : Stop leak if safe to do so. Contain spillage, and then collect with non-combustible absorbent material, (e.g. sand, earth, diatomaceous earth, vermiculite) and place in container for disposal according to local / national regulations (see section 13). Flush away traces with water. For large spills, dike spilled material or otherwise contain material to ensure runoff does not reach a waterway.

#### Product AT USE DILUTION

- Personal precautions, protective equipment and emergency procedures : Refer to protective measures listed.
- Environmental precautions : No special environmental precautions required.
- Methods and materials for containment and cleaning up : Stop leak if safe to do so. Contain spillage, and then collect with non-combustible absorbent material, (e.g. sand, earth, diatomaceous earth, vermiculite) and place in container for disposal according to local / national regulations (see section 13). Flush away traces with water. For large spills, dike spilled material or otherwise contain material to ensure runoff does not reach a waterway.

### SECTION 7. HANDLING AND STORAGE

#### Product AS SOLD

- Advice on safe handling : Avoid contact with skin and eyes. Wash hands thoroughly after handling.
- Conditions for safe storage : Keep out of reach of children. Store in suitable labeled containers.

## SAFETY DATA SHEET

### OASIS PRO MORNING BREEZE ROOM REFRESHER

Storage temperature : 5 °C to 40 °C

#### Product AT USE DILUTION

Advice on safe handling : Wash hands after handling. For personal protection see section 8.

Conditions for safe storage : Keep out of reach of children. Store in suitable labeled containers.

### SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

#### Product AS SOLD

##### Ingredients with workplace control parameters

Contains no substances with occupational exposure limit values.

Engineering measures : Good general ventilation should be sufficient to control worker exposure to airborne contaminants.

##### Personal protective equipment

Eye protection : Safety glasses with side-shields

Hand protection : No special protective equipment required.

Skin protection : No special protective equipment required.

Respiratory protection : No personal respiratory protective equipment normally required.

Hygiene measures : Handle in accordance with good industrial hygiene and safety practice. Wash face, hands and any exposed skin thoroughly after handling.

#### Product AT USE DILUTION

Engineering measures : Good general ventilation should be sufficient to control worker exposure to airborne contaminants.

##### Personal protective equipment

Eye protection : No special protective equipment required.

Hand protection : No special protective equipment required.

Skin protection : No special protective equipment required.

Respiratory protection : No personal respiratory protective equipment normally required.

### SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES

|                | Product AS SOLD        | Product AT USE DILUTION |
|----------------|------------------------|-------------------------|
| Appearance     | : liquid               | liquid                  |
| Color          | : clear, dark green    | light green             |
| Odor           | : Perfumes, fragrances | Perfumes, fragrances    |
| pH             | : 6,0 - 9,0, (100 %)   | 5,5 - 8,0               |
| Flash point    | : Not applicable       |                         |
| Odor Threshold | : No data available    |                         |

## SAFETY DATA SHEET

### OASIS PRO MORNING BREEZE ROOM REFRESHER

|                                         |                     |
|-----------------------------------------|---------------------|
| Melting point/freezing point            | : No data available |
| Initial boiling point and boiling range | : No data available |
| Evaporation rate                        | : No data available |
| Flammability (solid, gas)               | : No data available |
| Upper explosion limit                   | : No data available |
| Lower explosion limit                   | : No data available |
| Vapor pressure                          | : No data available |
| Relative vapor density                  | : No data available |
| Relative density                        | : 1,003 - 1,018     |
| Water solubility                        | : soluble           |
| Solubility in other solvents            | : No data available |
| Partition coefficient: n-octanol/water  | : No data available |
| Autoignition temperature                | : No data available |
| Thermal decomposition                   | : No data available |
| Viscosity, kinematic                    | : No data available |
| Explosive properties                    | : No data available |
| Oxidizing properties                    | : No data available |
| Molecular weight                        | : No data available |
| VOC                                     | : No data available |

### SECTION 10. STABILITY AND REACTIVITY

#### Product AS SOLD

|                                    |                                                                                                                                                  |
|------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Chemical stability                 | : Stable under normal conditions.                                                                                                                |
| Possibility of hazardous reactions | : No dangerous reaction known under conditions of normal use.                                                                                    |
| Conditions to avoid                | : None known.                                                                                                                                    |
| Incompatible materials             | : None known.                                                                                                                                    |
| Hazardous decomposition products   | : Decomposition products may include the following materials:<br>Carbon oxides<br>Nitrogen oxides (NOx)<br>Sulfur oxides<br>Oxides of phosphorus |

### SECTION 11. TOXICOLOGICAL INFORMATION

|                                          |                                         |
|------------------------------------------|-----------------------------------------|
| Information on likely routes of exposure | : Inhalation, Eye contact, Skin contact |
|------------------------------------------|-----------------------------------------|

#### Potential Health Effects

#### Product AS SOLD

|      |                                  |
|------|----------------------------------|
| Eyes | : Causes serious eye irritation. |
|------|----------------------------------|

## SAFETY DATA SHEET

### OASIS PRO MORNING BREEZE ROOM REFRESHER

|                  |                                                               |
|------------------|---------------------------------------------------------------|
| Skin             | : Health injuries are not known or expected under normal use. |
| Ingestion        | : Health injuries are not known or expected under normal use. |
| Inhalation       | : Health injuries are not known or expected under normal use. |
| Chronic Exposure | : Health injuries are not known or expected under normal use. |

#### Product AT USE DILUTION

|                  |                                                               |

#### SECTION 12. ECOLOGICAL INFORMATION

##### Product AS SOLD Ecotoxicity

|                       |                                                      |
|-----------------------|------------------------------------------------------|
| Environmental Effects | : Harmful to aquatic life with long lasting effects. |
|-----------------------|------------------------------------------------------|

##### Product

|                                                     |                     |
|-----------------------------------------------------|---------------------|
| Toxicity to fish                                    | : No data available |
| Toxicity to daphnia and other aquatic invertebrates | : No data available |
| Toxicity to algae                                   | : No data available |

##### Ingredients

|                  |                                                   |
|------------------|---------------------------------------------------|
| Toxicity to fish | : alcohols, c12-16, ethoxylated<br>LC50: 1,5 mg/l |
|------------------|---------------------------------------------------|

##### Ingredients

|                   |                                                 |
|-------------------|-------------------------------------------------|
| Toxicity to algae | : Sodium Xylenesulfonate<br>96 h EC50: 230 mg/l |
|-------------------|-------------------------------------------------|

##### Persistence and degradability

**Product AS SOLD**  
No data available

##### Product AT USE DILUTION

No data available

##### Bioaccumulative potential

No data available

##### Mobility in soil

No data available

##### Other adverse effects

No data available

#### SECTION 13. DISPOSAL CONSIDERATIONS

##### Product AS SOLD

|                         |                                                                                                                                                                                                                                                                                                |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Disposal methods        | : The product should not be allowed to enter drains, water courses or the soil. Where possible recycling is preferred to disposal or incineration. If recycling is not practicable, dispose of in compliance with local regulations. Dispose of wastes in an approved waste disposal facility. |
