

Section 1. Chemical product and company identification

Chinese name : STONEMEDIC GPC GRANITE POLISHING CREAM
Product name English : STONEMEDIC GPC GRANITE POLISHING CREAM
Supplier : Ecolab Limited
 15/F, Lu Plaza, 2 Wing Yip Street, Kwun Tong, Kowloon, HONG KONG
Emergency telephone number : 852-2341-4202
Product type : Floor care product
Date of issue : 25 May 2009

Section 2. Hazards identification

Hazard classification : Not regulated.
Routes of entry : Skin contact, Eye contact, Inhalation, Ingestion
Human health hazards
Inhalation : Moderately irritating to the respiratory system.
Ingestion : No known significant effects or critical hazards.
Skin : Moderately irritating to the skin.
Eyes : Moderately irritating to eyes.
Environmental hazards : No known significant effects or critical hazards.
Fire/explosion hazards : In a fire or if heated, a pressure increase will occur and the container may burst.

Section 3. Composition/information on ingredients

Mixture

Chemical name	Concentration	CAS No.
aluminium oxide	30 - 50	1344-28-1
tin (iv) oxide	10 - 30	18282-10-5
oleic acid	1 - 10	112-80-1
2-aminoethanol	1 - 10	141-43-5

Section 4. First aid measures

Inhalation : If inhaled, remove to fresh air.
Ingestion : Do not induce vomiting. Never give anything by mouth to an unconscious person. If irritation persists, get medical attention.
Skin contact : Flush contaminated skin with plenty of water. Continue to rinse for at least 10 minutes. Remove contaminated clothing and shoes. Clean shoes thoroughly before reuse. Get medical attention if irritation persists. Wash clothing before reuse.
Eye contact : In case of contact, immediately flush eyes with cool running water. Remove contact lenses and continue flushing with plenty of water for at least 15 minutes. Get medical attention if irritation persists.

STONEMEDIC GPC GRANITE POLISHING CREAM**Section 5. Fire-fighting measures****Extinguishing media**

Suitable	: Use an extinguishing agent suitable for the surrounding fire.
Not suitable	: None known.
Hazardous combustion products	: Decomposition products may include the following materials: carbon dioxide carbon monoxide nitrogen oxides metal oxide/oxides
Special protective equipment for fire-fighters	: Fire-fighters should wear appropriate protective equipment and self-contained breathing apparatus (SCBA) with a full face-piece operated in positive pressure mode.
Materials to avoid	acids

Section 6. Accidental release measures

Personal precautions	: Ventilate area of leak or spill. Do not touch damaged containers or spilled material unless wearing appropriate protective equipment (Section 8). Stop leak if without risk. Do not allow to enter drains or watercourses.
Environmental precautions	: Avoid dispersal of spilled material and runoff and contact with soil, waterways, drains and sewers. Inform the relevant authorities if the product has caused environmental pollution (sewers, waterways, soil or air).
Methods for cleaning up	: If emergency personnel are unavailable, contain spilled material. For small spills, add absorbent (soil may be used in the absence of other suitable materials), scoop up material and place in a sealable, liquid-proof container for disposal. For large spills, dike spilled material or otherwise contain it to ensure runoff does not reach a waterway. Place spilled material in an appropriate container for disposal.

Section 7. Handling and storage

Handling	: Avoid contact with eyes, skin and clothing. Avoid breathing vapor or mist. Use only with adequate ventilation. Keep container closed. Wash thoroughly after handling.
Storage	: Keep out of reach of children. Keep container tightly closed. Keep container in a cool, well-ventilated area. Store between the following temperatures: 0 and 45°C

Section 8. Exposure controls/personal protection

Chemical name	Exposure limits
aluminium oxide	GBZ-2 (China, 4/2007). PC-TWA: 4 mg/m ³ 8 hour(s). Form: total dust
tin (iv) oxide	ACGIH TLV (United States, 1/2008). TWA: 2 mg/m ³ , (as Sn) 8 hour(s).
2-aminoethanol	GBZ-2 (China, 4/2007). PC-STEL: 15 mg/m ³ 15 minute(s). PC-TWA: 8 mg/m ³ 8 hour(s).

Recommended monitoring procedures	: If this product contains ingredients with exposure limits, personal, workplace atmosphere or biological monitoring may be required to determine the effectiveness of the ventilation or other control measures and/or the necessity to use respiratory protective equipment.
Occupational exposure controls	: Use only with adequate ventilation. If user operations generate dust, fumes, gas, vapor or mist, use process enclosures, local exhaust ventilation or other engineering controls to keep worker exposure to airborne contaminants below any recommended or statutory limits.

STONEMEDIC GPC GRANITE POLISHING CREAM**Section 8. Exposure controls/personal protection**

Hygiene measures : Wash hands, forearms and face thoroughly after handling chemical products, before eating, smoking and using the lavatory and at the end of the working period. Appropriate techniques should be used to remove potentially contaminated clothing. Wash contaminated clothing before reusing. Ensure that eyewash stations and safety showers are close to the workstation location.

Personal protection

Respiratory : Avoid breathing vapors, spray or mists.
Hands : For prolonged or repeated handling, use the following type of gloves: Impervious gloves.
Eyes : Eye protection recommended.
Skin : No protective equipment is needed under normal use conditions.

Section 9. Physical and chemical properties

Physical state : Liquid. [Liquid.]
Color : Gray. [Dark]
Odor : Floral.
pH : 9.945 [Conc. (% w/w): 100%]
Flash point : > 100°C
Specific gravity : 1.726
Solubility : Soluble in the following materials: cold water and hot water.

Section 10. Stability and reactivity

Stability and reactivity : The product is stable.
Conditions to avoid : No specific data.
Materials to avoid : acids
Hazardous decomposition products : Under normal conditions of storage and use, hazardous decomposition products should not be produced.

Section 11. Toxicological information**Acute toxicity**

Inhalation : Moderately irritating to the respiratory system.
Ingestion : No known significant effects or critical hazards.
Skin : Moderately irritating to the skin.
Eyes : Moderately irritating to eyes.

Potential chronic health effects

Chronic effects : Contains material that can cause target organ damage.
Carcinogenicity : No known significant effects or critical hazards.
Mutagenicity : No known significant effects or critical hazards.
Teratogenicity : No known significant effects or critical hazards.
Developmental effects : No known significant effects or critical hazards.
Fertility effects : No known significant effects or critical hazards.

Section 12. Ecological information**Aquatic ecotoxicity**

Product/ingredient name	Result	Species	Exposure
-------------------------	--------	---------	----------

STONEMEDIC GPC GRANITE POLISHING CREAM**Section 12. Ecological information**

oleic acid	Acute LC50 205 mg/L	Fish	96 hours
2-aminoethanol	Acute LC50 2070 mg/L	Fish	96 hours
	Acute LC50 329.16 mg/L	Fish	96 hours
	Acute LC50 >300 mg/L	Fish	96 hours
	Acute LC50 300 mg/L	Fish	96 hours
	Acute LC50 >200 mg/L	Fish	96 hours
	Acute LC50 150 mg/L	Fish	96 hours

Other adverse effects : No known significant effects or critical hazards.

Environmental effects : No known significant effects or critical hazards.

Section 13. Disposal considerations

Waste disposal : The generation of waste should be avoided or minimized wherever possible. Empty containers or liners may retain some product residues. This material and its container must be disposed of in a safe way. Dispose of surplus and non-recyclable products via a licensed waste disposal contractor. Disposal of this product, solutions and any by-products should at all times comply with the requirements of environmental protection and waste disposal legislation and any regional local authority requirements. Avoid dispersal of spilled material and runoff and contact with soil, waterways, drains and sewers.

Consult your local or regional authorities.

Section 14. Transport information

UN number : Not regulated.

Proper shipping name : -

Package mark : Not regulated.

Packing group : -

Section 15. Regulatory information

China inventory (IECSC) : Not determined.

Authored with regard to:

- "Classification and Mark for commonly used dangerous chemicals" (GB13690-1992)
- "General rules for preparation of a Chemical Safety Data Sheet" (GB16483-2000)
- "The principle of classification of transport packaging groups of dangerous goods" (GB/T15098-94)
- "Classification and code of dangerous goods" (GB6944-2005)

Section 16. Other information

Validation date : 25 May 2009

Prepared by : Regulatory Affairs

Date of previous issue : 24 May 2009
