

Material Safety Data Sheet according to 91/155/EEC – 2001/58/EEC

Sekumatic FRE

1. Identification of the product and of the company

Identification of the product:

Sekumatic FRE

Cleaning agent for automated reprocessing
of medical instruments and accessories
Medical Devices class I

Company/undertaking identification:

Ecolab Deutschland GmbH, Postfach 130406,
40554 Düsseldorf, Tel.: 0211/9893-0

The Henkel information service also provides an around-the-clock
telephone service on telephone No. ++49-(0)211/797-3350 for
exceptional cases.

2. Composition/information on ingredients

Declaration according recommendation 04/648/EEC:

5 - 15 %: nonionic surfactants,
Contains enzymes. contains preservative

Declaration of ingredients:

5-15 % Fatty alcohol ethoxylate
Symbol: Xi,N
R-phrase: 38-50
EINECS: Polymer

3. Hazards identification of the product

None if used for intended purpose

4. First aid measures

No further precaution necessary after removal of the product.

after inhalation:
not relevant

after skin contact:
Rinse with running water.

Material Safety Data Sheet according to 91/155/EEC - 2001/58/EEC

Sekumatic FRE

after eye contact:

Immediately flush eyes with copious amounts of running water
(for 10 minutes), if necessary see an oculist.

after ingestion:

Rinse out mouth, drink 1-2 glasses of water, seek medical
advice.

5. Fire-fighting measures

Suitable extinguishing media:

suitable for all regular extinguishing materials

Extinguishing media which must not be used for safety reasons:

none known

Special exposure hazards arising from the product itself,
from combustion products or from resulting gases:

none known

Special protective equipment for firefighters:

no special measures necessary-

6. Accidental release measures

Personal precautions:

not required

Environmental precautions:

Do not allow large amounts to be released into the sewer system.

Methods of cleaning up/of removing:

Remove mechanically wash away residue with plenty of water

7. Handling and storage

Handling:

no special measures required

Storage:

no special measures necessary

Storage Class: VCI-storage class: 10 (Germany)

Material Safety Data Sheet according to 91/155/EEC - 2001/58/EEC

Sekumatic FRE

8. Exposure controls / personal protection

Information on the system design:

No special measures required

Components with specific control parameters:

none

Personal protection:

no protective equipment required

9. Physical and chemical properties

Physical state:	liquid
Colour:	yellowish
Odour:	fruity
pH:	(undiluted) (20°C) 5.5
Initial boiling point:	> 100 °C
Flash point:	No flash point up to 100 °C
Relative density:	(20°C) 1.07 g/cm ³
Solubility:	(20°C) soluble in water

10. Stability and reactivity

Conditions to avoid:

No decomposition if used according to specifications

Materials to avoid:

none known if used for its intended purpose

Hazardous decomposition products:

none if used for intended purpose

11. Toxicological information

In case of appropriate application no adverse effects have been reported up to now.

12. Ecological information

Persistence and degradability:

This product contains surfactants which are at least 90 % biodegradable by reference to the German regulation June 4, 1986.

Material Safety Data Sheet according to 91/155/EEC - 2001/58/EEC

Sekumatic FRE

13. Disposal considerations

Use rest of contents as far as possible according to instructions.

EWC/EAK-Code: 20 01 30

Can be added to materials collection after completely emptying

14. Transport information

Not a hazardous material according to RID/ADR, GGVS/
GGVE, ADNR, IMDG, ICAO-TI/IATA-DGR.

15. Regulatory information

Classification and labelling according EU-Regulations:

Symbols of danger:

Not required

R-phrases:

Not required

S-phrases:

Not required

Additional labelling:

Contains Enzymes. May produce an allergic reaction.

National prescriptions:

WGK = 2, water-endangering product (manufacturer
classification in conformity with the calculation
method of the German VwVwS of May 17, 1999).

16. Other information

This information is based on our current level of knowledge and relates to the product in the state in which it is delivered. It is intended to describe our products from the point of view of safety requirements and is not intended to guarantee any particular properties.

Full text of the R-phrases indicated by codes in this safety data sheet. The product code/identification/designation is indicated in Section 15.

R 38: Irritating to skin

R 50: Very toxic to aquatic organisms.
