

**Section: 1. PRODUCT AND COMPANY IDENTIFICATION**

Product name : Carpet spray-ex

Other means of identification : Not applicable.

Recommended use : Carpet or Upholstery cleaner

Restrictions on use : Reserved for industrial and professional use.

Product dilution information : No dilution information provided.

Issuing date : 19.04.2019

**Section: 2. HAZARDS IDENTIFICATION**
**GHS Classification**

Eye irritation : Category 2A

**GHS Label element**

Hazard pictograms :

Signal Word : Warning

Hazard Statements : Causes serious eye irritation.

# SAFETY DATA SHEET

## Carpet spray-ex

Precautionary Statements : **Prevention:**  
Wash skin thoroughly after handling. Wear eye protection/face protection.  
**Response:**  
IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/ attention.

Other hazards : None known.

### Section: 3. COMPOSITION/INFORMATION ON INGREDIENTS

Pure substance/mixture : Mixture

| Chemical Name                          | CAS-No.    | Concentration: (%) |
|----------------------------------------|------------|--------------------|
| diphosphoric acid, tetrapotassium salt | 7320-34-5  | 10 - 30            |
| Sodiumcumenesulphonate                 | 28348-53-0 | 5 - 10             |

### Section: 4. FIRST AID MEASURES

In case of eye contact : IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/ attention.

In case of skin contact : Rinse with plenty of water.

If swallowed : Rinse mouth. Get medical attention if symptoms occur.

If inhaled : Get medical attention if symptoms occur.

Protection of first-aiders : If potential for exposure exists refer to Section 8 for specific personal protective equipment.

Notes to physician : Treat symptomatically.

Most important symptoms and effects, both acute and delayed : See Section 11 for more detailed information on health effects and symptoms.

### Section: 5. FIREFIGHTING MEASURES

Suitable extinguishing media : Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

Unsuitable extinguishing media : None known.

Specific hazards during firefighting : Not flammable or combustible.

Hazardous combustion products : Decomposition products may include the following materials:  
Carbon oxides  
Sulphur oxides  
Oxides of phosphorus

Special protective equipment for firefighters : Use personal protective equipment.

## SAFETY DATA SHEET

### Carpet spray-ex

Specific extinguishing methods : Fire residues and contaminated fire extinguishing water must be disposed of in accordance with local regulations. In the event of fire and/or explosion do not breathe fumes.

#### Section: 6. ACCIDENTAL RELEASE MEASURES

Personal precautions, protective equipment and emergency procedures : Ensure clean-up is conducted by trained personnel only. Refer to protective measures listed in sections 7 and 8.

Environmental precautions : Do not allow contact with soil, surface or ground water.

Methods and materials for containment and cleaning up : Stop leak if safe to do so. Contain spillage, and then collect with non-combustible absorbent material, (e.g. sand, earth, diatomaceous earth, vermiculite) and place in container for disposal according to local / national regulations (see section 13). Flush away traces with water. For large spills, dike spilled material or otherwise contain material to ensure runoff does not reach a waterway.

#### Section: 7. HANDLING AND STORAGE

Advice on safe handling : Avoid contact with skin and eyes. Wash hands thoroughly after handling.

Conditions for safe storage : Keep out of reach of children. Store in suitable labeled containers.

Storage temperature : 0 °C to 40 °C

#### Section: 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

##### Components with workplace control parameters

Contains no substances with occupational exposure limit values.

Engineering measures : Good general ventilation should be sufficient to control worker exposure to airborne contaminants.

##### Personal protective equipment

Eye protection : Safety glasses with side-shields

Hand protection : No special protective equipment required.

Skin protection : No special protective equipment required.

Respiratory protection : No personal respiratory protective equipment normally required.

Hygiene measures : Handle in accordance with good industrial hygiene and safety practice. Wash face, hands and any exposed skin thoroughly after handling.

#### Section: 9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance : liquid

Colour : yellow

Odour : Perfumes, fragrances

## SAFETY DATA SHEET

### Carpet spray-ex

|                                         |                                                            |

| Solubility in other solvents            | : no data available                                        |
| Partition coefficient: n-octanol/water  | : no data available                                        |
| Auto-ignition temperature               | : no data available                                        |
| Thermal decomposition                   | : no data available                                        |
| Viscosity, kinematic                    | : no data available                                        |
| Explosive properties                    | : no data available                                        |
| Oxidizing properties                    | : The substance or mixture is not classified as oxidizing. |
| Molecular weight                        | : no data available                                        |
| VOC                                     | : no data available                                        |

### Section: 10. STABILITY AND REACTIVITY

|                                    |                                                                                                                          |
|------------------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Reactivity                         | : No dangerous reaction known under conditions of normal use.                                                            |
| Chemical stability                 | : Stable under normal conditions.                                                                                        |
| Possibility of hazardous reactions | : No dangerous reaction known under conditions of normal use.                                                            |
| Conditions to avoid                | : None known.                                                                                                            |
| Incompatible materials             | : None known.                                                                                                            |
| Hazardous decomposition products   | : Decomposition products may include the following materials:<br>Carbon oxides<br>Sulphur oxides<br>Oxides of phosphorus |

### Section: 11. TOXICOLOGICAL INFORMATION

|                                          |                                         |
|------------------------------------------|-----------------------------------------|
| Information on likely routes of exposure | : Inhalation, Eye contact, Skin contact |
|------------------------------------------|-----------------------------------------|

## SAFETY DATA SHEET

### Carpet spray-ex

#### Potential Health Effects

|                  |                                                               |
|------------------|---------------------------------------------------------------|
| Eyes             | : Causes serious eye irritation.                              |
| Skin             | : Health injuries are not known or expected under normal use. |
| Ingestion        | : Health injuries are not known or expected under normal use. |
| Inhalation       | : Health injuries are not known or expected under normal use. |
| Chronic Exposure | : Health injuries are not known or expected under normal use. |

#### Experience with human exposure

|              |                                  |
|--------------|----------------------------------|
| Eye contact  | : Redness, Pain, Irritation      |
| Skin contact | : No symptoms known or expected. |
| Ingestion    | : No symptoms known or expected. |
| Inhalation   | : No symptoms known or expected. |

#### Toxicity

##### Product

|                                   |                     |
|-----------------------------------|---------------------|
| Acute oral toxicity               | : no data available |
| Acute inhalation toxicity         | : no data available |
| Acute dermal toxicity             | : no data available |
| Skin corrosion/irritation         | : no data available |
| Serious eye damage/eye irritation | : no data available |
| Respiratory or skin sensitization | : no data available |
| Carcinogenicity                   | : no data available |
| Reproductive effects              | : no data available |
| Germ cell mutagenicity            | : no data available |
| Teratogenicity                    | : no data available |
| STOT - single exposure            | : no data available |
| STOT - repeated exposure          | : no data available |
| Aspiration toxicity               | : no data available |

#### Components

|                     |                                                                     |
|---------------------|---------------------------------------------------------------------|
| Acute oral toxicity | : diphosphoric acid, tetrapotassium salt<br>LD50 rat: > 2,000 mg/kg |
|                     | Sodiumcumenesulphonate<br>LD50 rat: > 7,000 mg/kg                   |

#### Components

## SAFETY DATA SHEET

### Carpent spray-ex

Acute inhalation toxicity : Sodiumcumenesulphonate  
4 h LC50 rat: > 770 mg/l  
Test atmosphere: dust/mist

#### Components

Acute dermal toxicity : Sodiumcumenesulphonate  
LD50 rabbit: > 2,000 mg/kg

### Section: 12. ECOLOGICAL INFORMATION

#### Ecotoxicity

Environmental Effects : This product has no known ecotoxicological effects.

#### Product

Toxicity to fish : no data available

Toxicity to daphnia and other aquatic invertebrates : no data available

Toxicity to algae : no data available

#### Components

Toxicity to fish : Sodiumcumenesulphonate  
96 h LC50 Fish: > 450 mg/l

#### Components

Toxicity to daphnia and other aquatic invertebrates : diphosphoric acid, tetrapotassium salt  
48 h EC50 Daphnia: > 100 mg/l

#### Persistence and degradability

Readily biodegradable.

#### Bioaccumulative potential

no data available

#### Mobility in soil

no data available

#### Other adverse effects

no data available

### Section: 13. DISPOSAL CONSIDERATIONS

Disposal methods : Where possible recycling is preferred to disposal or incineration. If recycling is not practicable, dispose of in compliance with local regulations. Dispose of wastes in an approved waste disposal facility.

Disposal considerations : Dispose of as unused product. Empty containers should be taken to an approved waste handling site for recycling or disposal. Do not re-use empty containers. Dispose of in accordance with local, state, and federal regulations.

### Section: 14. TRANSPORT INFORMATION

## SAFETY DATA SHEET

### Carpet spray-ex

The shipper/consignor/sender is responsible to ensure that the packaging, labeling, and markings are in compliance with the selected mode of transport.

#### Land transport (ADR/ADN/RID)

UN number : Not dangerous goods  
UN proper shipping name : Not dangerous goods  
Transport hazard class(es) : Not dangerous goods  
Packing group : Not dangerous goods  
Environmental hazards : Not dangerous goods  
Special precautions for user : Not dangerous goods

#### Air transport (IATA)

Not dangerous goods

#### Sea transport (IMDG/IMO)

Not dangerous goods

### Section: 15. REGULATORY INFORMATION

For Regulatory information please contact your Ecolab sales representative.

### Section: 16. OTHER INFORMATION

#### NFPA:

#### HMIS III:

|                 |   |
|-----------------|---|
| HEALTH          | 2 |
| FLAMMABILITY    | 0 |
| PHYSICAL HAZARD | 0 |

0 = not significant, 1 = Slight,  
2 = Moderate, 3 = High  
4 = Extreme, \* = Chronic
