

**BANDETTES OPASTER ANIOS****SECTION 1. PRODUCT AND COMPANY IDENTIFICATION**

Product name : แถบตรวจสำหรับ โอพาสเตอร์ แอนนิออส  
BANDETTES OPASTER ANIOS

Other means of identification : Not applicable

Recommended use : Processing Aid

Restrictions on use : Reserved for industrial and professional use.

Product dilution information : Product is sold ready to use.

Company : Ecolab Ltd.  
101/97 Navanakorn Industrial Estate,  
Klongnueng, Klongluang,  
Pathumtanee 12120  
THAILAND  
Telephone : +66-2909-7030  
Fax : +66-2909-2274

NALCO INDUSTRIAL SERVICES (THAILAND) CO LTD  
Rayong Plant, 109/19 M00 4,  
Eastern Seaboard Industrial Estate, Soi ESIE 6,  
T. Pluakdaeng, A. Pluakdaeng,  
Rayong, THAILAND 21140  
TEL: +66-33-109-021

Emergency telephone : 001-800-13-203-9987

Issuing date : 10.01.2022

**SECTION 2. HAZARDS IDENTIFICATION****GHS Classification**

Not a hazardous substance or mixture.

**GHS label elements**

Precautionary Statements : **Prevention:**  
Wash hands thoroughly after handling.  
**Response:**  
Get medical advice/ attention if you feel unwell.  
**Storage:**  
Store in accordance with local regulations.

Other hazards : None known.

**SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS**

Pure substance/mixture : Mixture

No hazardous ingredients

**SECTION 4. FIRST AID MEASURES**

## SAFETY DATA SHEET

### BANDELETTES OPASTER ANIOS

|                                                             |                                                                                |
|-------------------------------------------------------------|--------------------------------------------------------------------------------|
| In case of eye contact                                      | : Rinse with plenty of water.                                                  |
| In case of skin contact                                     | : Rinse with plenty of water.                                                  |
| If swallowed                                                | : Rinse mouth. Get medical attention if symptoms occur.                        |
| If inhaled                                                  | : Get medical attention if symptoms occur.                                     |
| Protection of first-aiders                                  | : No special precautions are necessary for first aid responders.               |
| Notes to physician                                          | : No specific measures identified.                                             |
| Most important symptoms and effects, both acute and delayed | : See Section 11 for more detailed information on health effects and symptoms. |

#### SECTION 5. FIRE-FIGHTING MEASURES

|                                                |                                                                                                                     |
|------------------------------------------------|---------------------------------------------------------------------------------------------------------------------|
| Suitable extinguishing media                   | : Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.           |
| Unsuitable extinguishing media                 | : None known.                                                                                                       |
| Specific hazards during fire fighting          | : Not flammable or combustible.                                                                                     |
| Hazardous combustion products                  | : Decomposition products may include the following materials:<br>Carbon oxides<br>Halogenated compounds             |
| Special protective equipment for fire-fighters | : Use personal protective equipment.                                                                                |
| Specific extinguishing methods                 | : Fire residues and contaminated fire extinguishing water must be disposed of in accordance with local regulations. |

#### SECTION 6. ACCIDENTAL RELEASE MEASURES

|                                                                     |                                                              |
|---------------------------------------------------------------------|--------------------------------------------------------------|
| Personal precautions, protective equipment and emergency procedures | : Refer to protective measures listed in sections 7 and 8.   |
| Environmental precautions                                           | : No special environmental precautions required.             |
| Methods and materials for containment and cleaning up               | : Sweep up and shovel into suitable containers for disposal. |

#### SECTION 7. HANDLING AND STORAGE

|                             |                                                                                                                                                                                                          |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Advice on safe handling     | : Wash hands after handling. In case of mechanical malfunction, or if in contact with unknown dilution of product, wear full Personal Protective Equipment (PPE). For personal protection see section 8. |
| Conditions for safe storage | : Keep out of reach of children. Keep container tightly closed. Store in suitable labeled containers.                                                                                                    |

## SAFETY DATA SHEET

### BANDELETTES OPASTER ANIOS

Storage temperature : 0 °C to 50 °C

#### SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

##### Ingredients with workplace control parameters

Contains no substances with occupational exposure limit values.

Engineering measures : Good general ventilation should be sufficient to control worker exposure to airborne contaminants.

##### Personal protective equipment

Eye protection : No special protective equipment required.

Hand protection : No special protective equipment required.

Skin protection : No special protective equipment required.

Respiratory protection : No personal respiratory protective equipment normally required.

Hygiene measures : Wash hands before breaks and immediately after handling the product.

#### SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES

Color : No data available

Odor : No data available

pH : Not applicable

Flash point : Not applicable

Odor Threshold : No data available

Melting point/freezing point : No data available

Initial boiling point and boiling range : No data available

Evaporation rate : No data available

Flammability (solid, gas) : Not applicable

Upper explosion limit : No data available

Lower explosion limit : No data available

Vapor pressure : No data available

Relative vapor density : No data available

Relative density : No data available

Water solubility : No data available

Solubility in other solvents : No data available

Partition coefficient: n-octanol/water : No data available

Autoignition temperature : No data available

Thermal decomposition : No data available

## SAFETY DATA SHEET

### BANDELETTES OPASTER ANIOS

|                      |                     |
|----------------------|---------------------|
| Viscosity, kinematic | : No data available |
| Explosive properties | : No data available |
| Oxidizing properties | : No data available |
| Molecular weight     | : No data available |
| VOC                  | : No data available |

#### SECTION 10. STABILITY AND REACTIVITY

|                                    |                                                                                                                       |
|------------------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Reactivity                         | : No dangerous reaction known under conditions of normal use.                                                         |
| Chemical stability                 | : Stable under normal conditions.                                                                                     |
| Possibility of hazardous reactions | : No dangerous reaction known under conditions of normal use.                                                         |
| Conditions to avoid                | : None known.                                                                                                         |
| Incompatible materials             | : None known.                                                                                                         |
| Hazardous decomposition products   | : In case of fire hazardous decomposition products may be produced such as:<br>Carbon oxides<br>Halogenated compounds |

#### SECTION 11. TOXICOLOGICAL INFORMATION

Information on likely routes of exposure : Eye contact, Skin contact, Inhalation

##### Potential Health Effects

|                  |                                                               |
|------------------|---------------------------------------------------------------|
| Eyes             | : Health injuries are not known or expected under normal use. |
| Skin             | : Health injuries are not known or expected under normal use. |
| Ingestion        | : Health injuries are not known or expected under normal use. |
| Inhalation       | : Health injuries are not known or expected under normal use. |
| Chronic Exposure | : Health injuries are not known or expected under normal use. |

##### Experience with human exposure

|              |                                  |
|--------------|----------------------------------|
| Eye contact  | : No symptoms known or expected. |
| Skin contact | : No symptoms known or expected. |
| Ingestion    | : No symptoms known or expected. |
| Inhalation   | : No symptoms known or expected. |

##### Toxicity

##### Product

|                     |                     |
|---------------------|---------------------|
| Acute oral toxicity | : No data available |
|---------------------|---------------------|

## SAFETY DATA SHEET

### BANDELETTES OPASTER ANIOS

|                                   |                     |
|-----------------------------------|---------------------|
| Acute inhalation toxicity         | : No data available |
| Acute dermal toxicity             | : No data available |
| Skin corrosion/irritation         | : No data available |
| Serious eye damage/eye irritation | : No data available |
| Respiratory or skin sensitization | : No data available |
| Carcinogenicity                   | : No data available |
| Reproductive effects              | : No data available |
| Germ cell mutagenicity            | : No data available |
| Teratogenicity                    | : No data available |
| STOT-single exposure              | : No data available |
| STOT-repeated exposure            | : No data available |
| Aspiration toxicity               | : No data available |

### SECTION 12. ECOLOGICAL INFORMATION

#### Ecotoxicity

Environmental Effects : This product has no known ecotoxicological effects.

#### Product

|                                                     |                     |
|-----------------------------------------------------|---------------------|
| Toxicity to fish                                    | : No data available |
| Toxicity to daphnia and other aquatic invertebrates | : No data available |
| Toxicity to algae                                   | : No data available |

#### Persistence and degradability

No data available

#### Bioaccumulative potential

No data available

#### Mobility in soil

No data available

#### Other adverse effects

No data available

### SECTION 13. DISPOSAL CONSIDERATIONS

|                         |                                                                        |
|-------------------------|------------------------------------------------------------------------|
| Disposal methods        | : Diluted product can be flushed to sanitary sewer.                    |
| Disposal considerations | : Dispose of in accordance with local, state, and federal regulations. |

### SECTION 14. TRANSPORT INFORMATION

The shipper/consignor/sender is responsible to ensure that the packaging, labeling, and markings are in compliance with the selected mode of transport.

#### Land transport

## SAFETY DATA SHEET

### BANDELETTES OPASTER ANIOS

Not dangerous goods

#### Sea transport (IMDG/IMO)

Not dangerous goods

### SECTION 15. REGULATORY INFORMATION

The ingredients of this product are reported in the following inventories:

#### United States TSCA Inventory :

All substances listed as active on the TSCA inventory

#### Canadian Domestic Substances List (DSL) :

All components of this product are on the Canadian DSL

#### Australia. Australian Industrial Chemicals Introduction Scheme (AICIS) :

On the inventory, or in compliance with the inventory

#### New Zealand. Inventory of Chemical Substances :

not determined

#### Japan. ENCS - Existing and New Chemical Substances Inventory :

On the inventory, or in compliance with the inventory

#### Korea. Korean Existing Chemicals Inventory (KECI) :

On the inventory, or in compliance with the inventory

#### Philippines Inventory of Chemicals and Chemical Substances (PICCS) :

On the inventory, or in compliance with the inventory

#### China. Inventory of Existing Chemical Substances in China (IECSC) :

On the inventory, or in compliance with the inventory

#### Taiwan Chemical Substance Inventory (TCSI) :

not determined

### SECTION 16. OTHER INFORMATION

|              |                      |
|--------------|----------------------|
| Issuing date | : 10.01.2022         |
| Version      | : 1.2                |
| Prepared by  | : Regulatory Affairs |

REVISED INFORMATION: Significant changes to regulatory or health information for this revision is indicated by a bar in the left-hand margin of the SDS.

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text.
