

## SAFETY DATA SHEET

### QSR HEAT-ACTIVATED GRILL & TOASTER CLEANER

#### SECTION 1. PRODUCT AND COMPANY IDENTIFICATION

Product name : QSR HEAT-ACTIVATED GRILL & TOASTER CLEANER

Other means of identification : Not applicable

Recommended use : Grill Cleaner

Restrictions on use : Reserved for industrial and professional use.

Product dilution information : Product is sold ready to use.

Company : ECOLAB S. DE R.L. DE C.V.  
EDIFICIO CORPORATIVO CENTURY PLAZA.  
AVENIDA SANTA FE N°. 440 PISO 6 Y 7  
COLONIA SANTA FE  
DELEGACIÓN CUAJIMALPA, CIUDAD DE MEXICO, Mexico  
C.P. 05349  
(55) 1253 1900

Emergency telephone : 01 800 837 2998 Please request assistance in Spanish language

Issuing date : 17.11.2017

#### SECTION 2. HAZARDS IDENTIFICATION

##### GHS Classification

Not a hazardous substance or mixture.

##### GHS label elements

Precautionary Statements : **Prevention:**  
P264 Wash hands thoroughly after handling.  
**Response:**  
P314 Get medical advice/ attention if you feel unwell.  
**Storage:**  
P401 Store in accordance with local regulations.

Other hazards : None known.

#### SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS

Pure substance/mixture : Mixture

| Chemical name | CAS-No. | Concentration (%) |
|---------------|---------|-------------------|
| glycerin      | 56-81-5 | 50 - 70           |

#### SECTION 4. FIRST AID MEASURES

In case of eye contact : Rinse with plenty of water.

In case of skin contact : Rinse with plenty of water.

If swallowed : Rinse mouth. Get medical attention if symptoms occur.

If inhaled : Get medical attention if symptoms occur.

Protection of first-aiders : No special precautions are necessary for first aid responders.

## SAFETY DATA SHEET

### QSR HEAT-ACTIVATED GRILL & TOASTER CLEANER

Notes to physician : No specific measures identified.

Most important symptoms and effects, both acute and delayed : See Section 11 for more detailed information on health effects and symptoms.

#### SECTION 5. FIRE-FIGHTING MEASURES

Suitable extinguishing media : Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

Unsuitable extinguishing media : None known.

Specific hazards during fire fighting : Not flammable or combustible.

Hazardous combustion products : Decomposition products may include the following materials:  
Carbon oxides  
Nitrogen oxides (NOx)  
Sulfur oxides  
Oxides of phosphorus

Special protective equipment for fire-fighters : Use personal protective equipment.

Specific extinguishing methods : Fire residues and contaminated fire extinguishing water must be disposed of in accordance with local regulations.

#### SECTION 6. ACCIDENTAL RELEASE MEASURES

Personal precautions, protective equipment and emergency procedures : Refer to protective measures listed.

Environmental precautions : No special environmental precautions required.

Methods and materials for containment and cleaning up : Stop leak if safe to do so. Contain spillage, and then collect with non-combustible absorbent material, (e.g. sand, earth, diatomaceous earth, vermiculite) and place in container for disposal according to local / national regulations (see section 13). Flush away traces with water. For large spills, dike spilled material or otherwise contain material to ensure runoff does not reach a waterway.

#### SECTION 7. HANDLING AND STORAGE

Advice on safe handling : Wash hands after handling. For personal protection see section 8.

Conditions for safe storage : Keep out of reach of children. Store in suitable labeled containers.

Storage temperature : -5 °C to 50 °C

#### SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

##### Ingredients with workplace control parameters

| Ingredients | CAS-No. | Form of | Permissible | Basis |
|-------------|---------|---------|-------------|-------|
|-------------|---------|---------|-------------|-------|

## SAFETY DATA SHEET

### QSR HEAT-ACTIVATED GRILL & TOASTER CLEANER

|          |         | exposure                        | concentration        |         |
|----------|---------|---------------------------------|----------------------|---------|
| glycerin | 56-81-5 | LMPE-PPT                        | 10 mg/m <sup>3</sup> | MX OEL  |
| glycerin | 56-81-5 | TWA                             | 10 mg/m <sup>3</sup> | ACGIH   |
|          |         | TWA<br>(respirable<br>fraction) | 5 mg/m <sup>3</sup>  | OSHA Z1 |
| glycerin | 56-81-5 | LMPE-PPT                        | 10 mg/m <sup>3</sup> | MX OEL  |
| glycerin | 56-81-5 | TWA                             | 10 mg/m <sup>3</sup> | ACGIH   |
|          |         | TWA<br>(respirable<br>fraction) | 5 mg/m <sup>3</sup>  | OSHA Z1 |

Engineering measures : Good general ventilation should be sufficient to control worker exposure to airborne contaminants.

#### Personal protective equipment

Eye protection : No special protective equipment required.

Hand protection : No special protective equipment required.

Skin protection : No special protective equipment required.

Respiratory protection : No personal respiratory protective equipment normally required.

Hygiene measures : Wash hands before breaks and immediately after handling the product.

#### SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES

|                                         |                                                |
|-----------------------------------------|------------------------------------------------|
| Appearance                              | : liquid                                       |
| Color                                   | : clear, light yellow                          |
| Odor                                    | : odorless                                     |
| pH                                      | : 11,2 - 12,2, (100 %)                         |
| Flash point                             | : Not applicable, Does not sustain combustion. |
| Odor Threshold                          | : No data available                            |
| Melting point/freezing point            | : No data available                            |
| Initial boiling point and boiling range | : > 100 °C                                     |
| Evaporation rate                        | : No data available                            |
| Flammability (solid, gas)               | : No data available                            |
| Upper explosion limit                   | : No data available                            |
| Lower explosion limit                   | : No data available                            |
| Vapor pressure                          | : No data available                            |
| Relative vapor density                  | : No data available                            |
| Relative density                        | : 1,25 - 1,27                                  |
| Water solubility                        | : soluble                                      |
| Solubility in other solvents            | : No data available                            |
| Partition coefficient: n-               | : No data available                            |

## SAFETY DATA SHEET

### QSR HEAT-ACTIVATED GRILL & TOASTER CLEANER

octanol/water

|                          |                                                            |
|--------------------------|------------------------------------------------------------|
| Autoignition temperature | : No data available                                        |
| Thermal decomposition    | : No data available                                        |
| Viscosity, kinematic     | : No data available                                        |
| Explosive properties     | : No data available                                        |
| Oxidizing properties     | : The substance or mixture is not classified as oxidizing. |
| Molecular weight         | : No data available                                        |
| VOC                      | : No data available                                        |

#### SECTION 10. STABILITY AND REACTIVITY

|                                    |                                                                                                                                                  |
|------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Chemical stability                 | : Stable under normal conditions.                                                                                                                |
| Possibility of hazardous reactions | : No dangerous reaction known under conditions of normal use.                                                                                    |
| Conditions to avoid                | : None known.                                                                                                                                    |
| Incompatible materials             | : None known.                                                                                                                                    |
| Hazardous decomposition products   | : Decomposition products may include the following materials:<br>Carbon oxides<br>Nitrogen oxides (NOx)<br>Sulfur oxides<br>Oxides of phosphorus |

#### SECTION 11. TOXICOLOGICAL INFORMATION

|                                          |                                         |
|------------------------------------------|-----------------------------------------|
| Information on likely routes of exposure | : Inhalation, Eye contact, Skin contact |
|------------------------------------------|-----------------------------------------|

##### Potential Health Effects

|                  |                                                               |
|------------------|---------------------------------------------------------------|
| Eyes             | : Health injuries are not known or expected under normal use. |
| Skin             | : Health injuries are not known or expected under normal use. |
| Ingestion        | : Health injuries are not known or expected under normal use. |
| Inhalation       | : Health injuries are not known or expected under normal use. |
| Chronic Exposure | : Health injuries are not known or expected under normal use. |

##### Experience with human exposure

|              |                                  |
|--------------|----------------------------------|
| Eye contact  | : No symptoms known or expected. |
| Skin contact | : No symptoms known or expected. |
| Ingestion    | : No symptoms known or expected. |
| Inhalation   | : No symptoms known or expected. |

##### Toxicity

## SAFETY DATA SHEET

### QSR HEAT-ACTIVATED GRILL & TOASTER CLEANER

#### Product

|                                   |                      |
|-----------------------------------|----------------------|
| Acute oral toxicity               | : No data available  |
| Acute inhalation toxicity         | : No data available  |
| Acute dermal toxicity             | : No data available  |
| Skin corrosion/irritation         | : No skin irritation |
| Serious eye damage/eye irritation | : No eye irritation  |
| Respiratory or skin sensitization | : No data available  |
| Carcinogenicity                   | : No data available  |
| Reproductive effects              | : No data available  |
| Germ cell mutagenicity            | : No data available  |
| Teratogenicity                    | : No data available  |
| STOT-single exposure              | : No data available  |
| STOT-repeated exposure            | : No data available  |
| Aspiration toxicity               | : No data available  |

#### Ingredients

|                     |                                      |
|---------------------|--------------------------------------|
| Acute oral toxicity | : glycerin<br>LD50 Rat: 18.300 mg/kg |
|---------------------|--------------------------------------|

#### Ingredients

|                       |                                         |
|-----------------------|-----------------------------------------|
| Acute dermal toxicity | : glycerin<br>LD50 Rabbit: 23.000 mg/kg |
|-----------------------|-----------------------------------------|

## SECTION 12. ECOLOGICAL INFORMATION

#### Ecotoxicity

|                       |                                                       |
|-----------------------|-------------------------------------------------------|
| Environmental Effects | : This product has no known ecotoxicological effects. |
|-----------------------|-------------------------------------------------------|

#### Product

|                                                     |                     |
|-----------------------------------------------------|---------------------|
| Toxicity to fish                                    | : No data available |
| Toxicity to daphnia and other aquatic invertebrates | : No data available |
| Toxicity to algae                                   | : No data available |

#### Ingredients

|                  |                                        |
|------------------|----------------------------------------|
| Toxicity to fish | : glycerin<br>96 h LC50 Fish: 855 mg/l |
|------------------|----------------------------------------|

#### Persistence and degradability

Readily biodegradable.

#### Bioaccumulative potential

No data available

#### Mobility in soil

No data available

## SAFETY DATA SHEET

### QSR HEAT-ACTIVATED GRILL & TOASTER CLEANER

#### Other adverse effects

No data available

#### SECTION 13. DISPOSAL CONSIDERATIONS

Disposal methods : Diluted product can be flushed to sanitary sewer.

Disposal considerations : Dispose of in accordance with local, state, and federal regulations.

#### SECTION 14. TRANSPORT INFORMATION

The shipper/consignor/sender is responsible to ensure that the packaging, labeling, and markings are in compliance with the selected mode of transport.

**Land transport: generally applicable for transport in Mexico.**

Not dangerous goods

#### Sea transport (IMDG/IMO)

Not dangerous goods

#### SECTION 15. REGULATORY INFORMATION

Mexico: Our SDS meets the requirements established by the Official Mexican Regulation NOM-018-STPS-2015, Harmonized System for the identification and communication of hazards and risks by dangerous chemical substances in work centers.

#### SECTION 16. OTHER INFORMATION

##### NFPA:

##### HMIS III:

|                 |   |
|-----------------|---|
| HEALTH          | 0 |
| FLAMMABILITY    | 0 |
| PHYSICAL HAZARD | 0 |

0 = not significant, 1 = Slight,  
2 = Moderate, 3 = High  
4 = Extreme, \* = Chronic

Revision Date : 17.11.2017  
Version : 1.1  
Prepared by : Regulatory Affairs

REVISED INFORMATION: Significant changes to regulatory or health information for this revision is indicated by a bar in the left-hand margin of the MSDS.

The information provided in this Material Safety Data Sheet is considered correct but is not thorough and is intended for guidance only, which is based on current knowledge of the substance or mixture and is applicable to the appropriate safety precautions for the product.
