

## SAFETY DATA SHEET

**DRYEXX**

### SECTION 1. PRODUCT AND COMPANY IDENTIFICATION

Product name : DRYEXX

Other means of identification : Not applicable

Recommended use : Lubricant

Restrictions on use : Reserved for industrial and professional use.

Product dilution information : Product is sold ready to use.

Company : ECOLAB VIETNAM CO., LTD.  
UNIT 8.2 - ETOWN 2 Building, 364 Cong Hoa Street  
Tan Binh District, Ho Chi Minh City, Vietnam  
+84 28 35285100

Emergency telephone : +(84)-444581938

Issuing date : 30.11.2020

### SECTION 2. HAZARDS IDENTIFICATION

#### GHS Classification

Not a hazardous substance or mixture.

#### GHS label elements

Precautionary Statements : **Prevention:**  
Wash hands thoroughly after handling.  
**Response:**  
Get medical advice/ attention if you feel unwell.  
**Storage:**  
Store in accordance with local regulations.

Other hazards : None known.

### SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS

Pure substance/mixture : Mixture

No hazardous ingredients

### SECTION 4. FIRST AID MEASURES

In case of eye contact : Rinse with plenty of water.

In case of skin contact : Rinse with plenty of water.

If swallowed : Rinse mouth. Get medical attention if symptoms occur.

If inhaled : Get medical attention if symptoms occur.

Protection of first-aiders : No special precautions are necessary for first aid responders.

Notes to physician : No specific measures identified.

## SAFETY DATA SHEET

### DRYEXX

Most important symptoms and effects, both acute and delayed : See Section 11 for more detailed information on health effects and symptoms.

#### SECTION 5. FIRE-FIGHTING MEASURES

Suitable extinguishing media : Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

Unsuitable extinguishing media : None known.

Specific hazards during fire fighting : Not flammable or combustible.

Hazardous combustion products : Not applicable

Special protective equipment for fire-fighters : Use personal protective equipment.

Specific extinguishing methods : Fire residues and contaminated fire extinguishing water must be disposed of in accordance with local regulations.

#### SECTION 6. ACCIDENTAL RELEASE MEASURES

Personal precautions, protective equipment and emergency procedures : Ensure clean-up is conducted by trained personnel only. Refer to protective measures listed in sections 7 and 8.

Environmental precautions : Do not allow contact with soil, surface or ground water.

Methods and materials for containment and cleaning up : Stop leak if safe to do so. Contain spillage, and then collect with non-combustible absorbent material, (e.g. sand, earth, diatomaceous earth, vermiculite) and place in container for disposal according to local / national regulations (see section 13). Flush away traces with water. For large spills, dike spilled material or otherwise contain material to ensure runoff does not reach a waterway.

#### SECTION 7. HANDLING AND STORAGE

Advice on safe handling : Wash hands thoroughly after handling.

Conditions for safe storage : Keep out of reach of children. Keep container tightly closed. Store in suitable labeled containers.

Storage temperature : 0 °C to 40 °C

#### SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

##### Ingredients with workplace control parameters

Contains no substances with occupational exposure limit values.

Engineering measures : Good general ventilation should be sufficient to control worker exposure to airborne contaminants.

## SAFETY DATA SHEET

### DRYEXX

#### Personal protective equipment

|                        |                                                                                                                                           |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| Eye protection         | : No special protective equipment required.                                                                                               |
| Hand protection        | : No special protective equipment required.                                                                                               |
| Skin protection        | : No special protective equipment required.                                                                                               |
| Respiratory protection | : No personal respiratory protective equipment normally required.                                                                         |
| Hygiene measures       | : Handle in accordance with good industrial hygiene and safety practice. Wash face, hands and any exposed skin thoroughly after handling. |

#### SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES

|                                         |                                        |
|-----------------------------------------|----------------------------------------|
| Appearance                              | : liquid                               |
| Color                                   | : opaque, off-white                    |
| Odor                                    | : amine-like                           |
| pH                                      | : 5.0 - 6.5, 100 %                     |
| Flash point                             | : 100 °C, Does not sustain combustion. |
| Odor Threshold                          | : No data available                    |
| Melting point/freezing point            | : No data available                    |
| Initial boiling point and boiling range | : No data available                    |
| Evaporation rate                        | : No data available                    |
| Flammability (solid, gas)               | : No data available                    |
| Upper explosion limit                   | : No data available                    |
| Lower explosion limit                   | : No data available                    |
| Vapor pressure                          | : No data available                    |
| Relative vapor density                  | : No data available                    |
| Relative density                        | : 0.993 - 1.005                        |
| Water solubility                        | : soluble                              |
| Solubility in other solvents            | : No data available                    |
| Partition coefficient: n-octanol/water  | : No data available                    |
| Autoignition temperature                | : No data available                    |
| Thermal decomposition                   | : No data available                    |
| Viscosity, kinematic                    | : No data available                    |
| Explosive properties                    | : No data available                    |
| Oxidizing properties                    | : No data available                    |
| Molecular weight                        | : No data available                    |
| VOC                                     | : No data available                    |

#### SECTION 10. STABILITY AND REACTIVITY

|                    |                                   |
|--------------------|-----------------------------------|
| Chemical stability | : Stable under normal conditions. |
|--------------------|-----------------------------------|

## SAFETY DATA SHEET

### DRYEXX

|                                    |                                                               |
|------------------------------------|---------------------------------------------------------------|
| Possibility of hazardous reactions | : No dangerous reaction known under conditions of normal use. |
| Conditions to avoid                | : None known.                                                 |
| Incompatible materials             | : None known.                                                 |
| Hazardous decomposition products   | : No decomposition if stored and applied as directed.         |

### SECTION 11. TOXICOLOGICAL INFORMATION

Information on likely routes of exposure : Inhalation, Eye contact, Skin contact

#### Potential Health Effects

|                  |                                                               |
|------------------|---------------------------------------------------------------|
| Eyes             | : Health injuries are not known or expected under normal use. |
| Skin             | : Health injuries are not known or expected under normal use. |
| Ingestion        | : Health injuries are not known or expected under normal use. |
| Inhalation       | : Health injuries are not known or expected under normal use. |
| Chronic Exposure | : Health injuries are not known or expected under normal use. |

#### Experience with human exposure

|              |                                  |
|--------------|----------------------------------|
| Eye contact  | : No symptoms known or expected. |
| Skin contact | : No symptoms known or expected. |
| Ingestion    | : No symptoms known or expected. |
| Inhalation   | : No symptoms known or expected. |

#### Toxicity

##### Product

|                                   |                     |
|-----------------------------------|---------------------|
| Acute oral toxicity               | : No data available |
| Acute inhalation toxicity         | : No data available |
| Acute dermal toxicity             | : No data available |
| Skin corrosion/irritation         | : No data available |
| Serious eye damage/eye irritation | : No data available |
| Respiratory or skin sensitization | : No data available |
| Carcinogenicity                   | : No data available |
| Reproductive effects              | : No data available |
| Germ cell mutagenicity            | : No data available |
| Teratogenicity                    | : No data available |

## SAFETY DATA SHEET

### DRYEXX

STOT-single exposure : No data available  
STOT-repeated exposure : No data available  
Aspiration toxicity : No data available

#### SECTION 12. ECOLOGICAL INFORMATION

##### Ecotoxicity

Environmental Effects : This product has no known ecotoxicological effects.

##### Product

Toxicity to fish : No data available  
Toxicity to daphnia and other aquatic invertebrates : No data available  
Toxicity to algae : No data available

##### Persistence and degradability

No data available

##### Bioaccumulative potential

No data available

##### Mobility in soil

No data available

##### Other adverse effects

No data available

#### SECTION 13. DISPOSAL CONSIDERATIONS

Disposal methods : Where possible recycling is preferred to disposal or incineration. If recycling is not practicable, dispose of in compliance with local regulations. Dispose of wastes in an approved waste disposal facility.

The product should not be allowed to enter drains, water courses or the soil.

Disposal considerations : Dispose of as unused product. Empty containers should be taken to an approved waste handling site for recycling or disposal. Do not re-use empty containers. Dispose of in accordance with local, state, and federal regulations.

#### SECTION 14. TRANSPORT INFORMATION

The shipper/consignor/sender is responsible to ensure that the packaging, labeling, and markings are in compliance with the selected mode of transport.

##### Land transport

Not dangerous goods

##### Sea transport (IMDG/IMO)

Not dangerous goods

#### SECTION 15. REGULATORY INFORMATION

## SAFETY DATA SHEET

**DRYEXX**

The ingredients of this product are reported in the following inventories:

**United States TSCA Inventory :**  
not determined

**Canadian Domestic Substances List (DSL) :**  
This product contains one or several components listed in the Canadian NDSL.

**Australia Inventory of Chemical Substances (AICS) :**  
On the inventory, or in compliance with the inventory

**New Zealand. Inventory of Chemical Substances :**  
On the inventory, or in compliance with the inventory

**Japan. ENCS - Existing and New Chemical Substances Inventory :**  
On the inventory, or in compliance with the inventory

**Japan. ISHL - Inventory of Chemical Substances (METI) :**  
not determined

**Korea. Korean Existing Chemicals Inventory (KECI) :**  
not determined

**Philippines Inventory of Chemicals and Chemical Substances (PICCS) :**  
On the inventory, or in compliance with the inventory

**China. Inventory of Existing Chemical Substances in China (IECSC) :**  
not determined

### SECTION 16. OTHER INFORMATION

Issuing date : 30.11.2020  
Version : 1.1A  
Prepared by : Regulatory Affairs

REVISED INFORMATION: Significant changes to regulatory or health information for this revision is indicated by a bar in the left-hand margin of the SDS.

The information provided in this Material Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text.
