

**Section: 1. PRODUCT AND COMPANY IDENTIFICATION**

Product name : ECONO RINSE

Other means of identification : Not applicable.

Recommended use : Rinse Additive

Restrictions on use : Reserved for industrial and professional use.

Product dilution information : No dilution information provided.

Company : Ecolab (PTY) LTD  
1 Ampere Street  
Chloorkop, Johannesburg South Africa 1620  
+2711578 5000

Nalco Angola Limitada  
Rua Tipografia Mama Tita, 22B Predio Soliel  
Luanda, Angola  
Tel: 244-222-395120  
Fax: 244-222-394855

Ecolab Kenya  
Tulip House, Mombasa Road  
Next to Sameer Business Park  
PO Box 63497-00619  
Nairobi, Kenya

Emergency telephone : +32-(0)3-575-5555  
number

Issuing date : 23.04.2019

**Section: 2. HAZARDS IDENTIFICATION****GHS Classification**

Skin irritation : Category 3  
Eye irritation : Category 2B  
Acute aquatic toxicity : Category 3

**GHS Label element**

Signal Word : Warning

Hazard Statements : Causes mild skin irritation.  
Causes eye irritation.  
Harmful to aquatic life.

Precautionary Statements : **Prevention:**  
Wash skin thoroughly after handling. Avoid release to the environment.  
**Response:**  
IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If skin irritation occurs: Get medical advice/attention. If eye irritation persists: Get medical advice/ attention.

# SAFETY DATA SHEET

## ECONO RINSE

### Disposal:

Dispose of contents/ container to an approved waste disposal plant.

**Other hazards** : Do not mix with bleach or other chlorinated products – will cause chlorine gas.

### Section: 3. COMPOSITION/INFORMATION ON INGREDIENTS

Pure substance/mixture : Mixture

| Chemical Name                                                 | CAS-No.     | Concentration: (%) |
|---------------------------------------------------------------|-------------|--------------------|
| citric acid, monohydrate                                      | 5949-29-1   | 1 - 5              |
| alcohols, c13-15-branched and linear, butoxylated ethoxylated | 111905-53-4 | 1 - 5              |
| Fattyalcohol ethoxylates > C15 and ≤/ 5EO                     | 68551-13-3  | 1 - 5              |
| Sodiumcumenesulphonate                                        | 28348-53-0  | 1 - 5              |

### Section: 4. FIRST AID MEASURES

In case of eye contact : Rinse with plenty of water.

In case of skin contact : Rinse with plenty of water.

If swallowed : Rinse mouth. Get medical attention if symptoms occur.

If inhaled : Get medical attention if symptoms occur.

Protection of first-aiders : No special precautions are necessary for first aid responders.

Notes to physician : Treat symptomatically.

Most important symptoms and effects, both acute and delayed : See Section 11 for more detailed information on health effects and symptoms.

### Section: 5. FIREFIGHTING MEASURES

Suitable extinguishing media : Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

Unsuitable extinguishing media : None known.

Specific hazards during firefighting : Not flammable or combustible.

Hazardous combustion products : Decomposition products may include the following materials:  
Carbon oxides  
Sulphur oxides

Special protective equipment for firefighters : Use personal protective equipment.

Specific extinguishing methods : Fire residues and contaminated fire extinguishing water must be disposed of in accordance with local regulations.

### Section: 6. ACCIDENTAL RELEASE MEASURES

## SAFETY DATA SHEET

### ECONO RINSE

- Personal precautions, protective equipment and emergency procedures : Ensure clean-up is conducted by trained personnel only. Refer to protective measures listed.
- Environmental precautions : Do not allow contact with soil, surface or ground water.
- Methods and materials for containment and cleaning up : Stop leak if safe to do so. Contain spillage, and then collect with non-combustible absorbent material, (e.g. sand, earth, diatomaceous earth, vermiculite) and place in container for disposal according to local / national regulations (see section 13). For large spills, dike spilled material or otherwise contain material to ensure runoff does not reach a waterway.

#### Section: 7. HANDLING AND STORAGE

- Advice on safe handling : Wash hands thoroughly after handling. Do not mix with bleach or other chlorinated products – will cause chlorine gas.
- Conditions for safe storage : Keep out of reach of children. Store in suitable labeled containers.
- Storage temperature : 0 °C to 50 °C

#### Section: 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

##### Components with workplace control parameters

Contains no substances with occupational exposure limit values.

- Engineering measures : Good general ventilation should be sufficient to control worker exposure to airborne contaminants.

##### Personal protective equipment

- Eye protection : No special protective equipment required.
- Hand protection : No special protective equipment required.
- Skin protection : No special protective equipment required.
- Respiratory protection : No personal respiratory protective equipment normally required.
- Hygiene measures : Handle in accordance with good industrial hygiene and safety practice. Wash face, hands and any exposed skin thoroughly after handling.

#### Section: 9. PHYSICAL AND CHEMICAL PROPERTIES

- Appearance : liquid
- Colour : clear, greenish-blue
- Odour : not significant
- pH : 2,5 - 3,5, (1 %)
- Flash point : 100 °C open cup
- Odour Threshold : no data available
- Melting point/freezing point : no data available

## SAFETY DATA SHEET

### ECONO RINSE

|                                         |                                                            |
|-----------------------------------------|------------------------------------------------------------|
| Initial boiling point and boiling range | : no data available                                        |
| Evaporation rate                        | : no data available                                        |
| Flammability (solid, gas)               | : no data available                                        |
| Upper explosion limit                   | : no data available                                        |
| Lower explosion limit                   | : no data available                                        |
| Vapour pressure                         | : no data available                                        |
| Relative vapour density                 | : no data available                                        |
| Relative density                        | : 1,015 - 1,021                                            |
| Water solubility                        | : no data available                                        |
| Solubility in other solvents            | : no data available                                        |
| Partition coefficient: n-octanol/water  | : no data available                                        |
| Auto-ignition temperature               | : no data available                                        |
| Thermal decomposition                   | : no data available                                        |
| Viscosity, kinematic                    | : no data available                                        |
| Explosive properties                    | : no data available                                        |
| Oxidizing properties                    | : The substance or mixture is not classified as oxidizing. |
| Molecular weight                        | : no data available                                        |
| VOC                                     | : no data available                                        |

### Section: 10. STABILITY AND REACTIVITY

|                                    |                                                                                                                |
|------------------------------------|----------------------------------------------------------------------------------------------------------------|
| Reactivity                         | : No dangerous reaction known under conditions of normal use.                                                  |
| Chemical stability                 | : Stable under normal conditions.                                                                              |
| Possibility of hazardous reactions | : Do not mix with bleach or other chlorinated products – will cause chlorine gas.                              |
| Conditions to avoid                | : None known.                                                                                                  |
| Incompatible materials             | : None known.                                                                                                  |
| Hazardous decomposition products   | : In case of fire hazardous decomposition products may be produced such as:<br>Carbon oxides<br>Sulphur oxides |

### Section: 11. TOXICOLOGICAL INFORMATION

Information on likely routes of exposure : Inhalation, Eye contact, Skin contact

#### Potential Health Effects

|      |                                |
|------|--------------------------------|
| Eyes | : Causes eye irritation.       |
| Skin | : Causes mild skin irritation. |

## SAFETY DATA SHEET

### ECONO RINSE

Ingestion : Health injuries are not known or expected under normal use.

Inhalation : Health injuries are not known or expected under normal use.

Chronic Exposure : Health injuries are not known or expected under normal use.

#### Experience with human exposure

Eye contact : Redness, Irritation

Skin contact : slight irritation

Ingestion : No symptoms known or expected.

Inhalation : No symptoms known or expected.

#### Toxicity

##### Product

Acute oral toxicity : Acute toxicity estimate : > 5.000 mg/kg

Acute inhalation toxicity : no data available

Acute dermal toxicity : Acute toxicity estimate : > 5.000 mg/kg

Skin corrosion/irritation : no data available

Serious eye damage/eye irritation : Mild eye irritation

Respiratory or skin sensitization : no data available

Carcinogenicity : no data available

Reproductive effects : no data available

Germ cell mutagenicity : no data available

Teratogenicity : no data available

STOT - single exposure : no data available

STOT - repeated exposure : no data available

Aspiration toxicity : no data available

##### Components

Acute inhalation toxicity : Sodiumcumenesulphonate  
4 h LC50 rat: > 770 mg/l Test atmosphere: dust/mist

### Section: 12. ECOLOGICAL INFORMATION

#### Ecotoxicity

Environmental Effects : Harmful to aquatic life.

##### Product

Toxicity to fish : no data available

Toxicity to daphnia and other aquatic invertebrates : no data available

Toxicity to algae : no data available

## SAFETY DATA SHEET

### ECONO RINSE

#### Components

|                  |                                                                                         |
|------------------|-----------------------------------------------------------------------------------------|
| Toxicity to fish | : citric acid, monohydrate<br>96 h LC50 Fish: > 100 mg/l                                |
|                  | alcohols, c13-15-branched and linear, butoxylated ethoxylated<br>96 h LC50 Fish: 5 mg/l |
|                  | Fattyalcohol ethoxylates > C15 and =< 5EO<br>96 h LC50 Fish: 1,6 mg/l                   |
|                  | Sodiumcumenesulphonate<br>96 h LC50 Fish: > 450 mg/l                                    |

#### Persistence and degradability

Readily biodegradable.

#### Bioaccumulative potential

no data available

#### Mobility in soil

no data available

#### Other adverse effects

no data available

### Section: 13. DISPOSAL CONSIDERATIONS

|                         |                                                                                                                                                                                                                                                                                                |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Disposal methods        | : The product should not be allowed to enter drains, water courses or the soil. Where possible recycling is preferred to disposal or incineration. If recycling is not practicable, dispose of in compliance with local regulations. Dispose of wastes in an approved waste disposal facility. |
| Disposal considerations | : Dispose of as unused product. Empty containers should be taken to an approved waste handling site for recycling or disposal. Do not re-use empty containers. Dispose of in accordance with local, state, and federal regulations.                                                            |

### Section: 14. TRANSPORT INFORMATION

The shipper/consignor/sender is responsible to ensure that the packaging, labeling, and markings are in compliance with the selected mode of transport.

#### Land transport (ZA DG)

Not dangerous goods

#### Air transport (IATA)

Not dangerous goods

#### Sea transport (IMDG/IMO)

Not dangerous goods

# SAFETY DATA SHEET

## ECONO RINSE

### Section: 15. REGULATORY INFORMATION

The components of this product are reported in the following inventories:

**United States TSCA Inventory :**

All substances listed as active on the TSCA inventory

**Canadian Domestic Substances List (DSL) :**

This product contains one or several components listed in the Canadian NDSL.

**Australia. Industrial Chemical (Notification and Assessment) Act :**

On the inventory, or in compliance with the inventory

**New Zealand. Inventory of Chemicals (NZIoC), as published by ERMA New Zealand :**

not determined

**Japan. ENCS - Existing and New Chemical Substances Inventory :**

not determined

**Korea. Korean Existing Chemicals Inventory (KECI) :**

On the inventory, or in compliance with the inventory

**Philippines Inventory of Chemicals and Chemical Substances (PICCS) :**

On the inventory, or in compliance with the inventory

**China Inventory of Existing Chemical Substances :**

On the inventory, or in compliance with the inventory

**Taiwan Chemical Substance Inventory :**

not determined

### Section: 16. OTHER INFORMATION

Issuing date : 23.04.2019  
Version : 1.0  
Prepared by : Regulatory Affairs

REVISED INFORMATION: Significant changes to regulatory or health information for this revision is indicated by a bar in the left-hand margin of the SDS.

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text.
