

**SECTION 1. PRODUCT AND COMPANY IDENTIFICATION**

Product name : SMARTPOWER RINSE ADDITIVE ALL PURPOSE

Other means of identification : Not applicable

Recommended use : Rinse additive

Product dilution information : 0,0018 % - 0,0044 %

Company : ECOLAB S. DE R.L. DE C.V.  
EDIFICIO CORPORATIVO CENTURY PLAZA.  
AVENIDA SANTA FE N°. 440 PISO 6 Y 7  
COLONIA SANTA FE  
DELEGACIÓN CUAJIMALPA, CIUDAD DE MEXICO, Mexico  
C.P. 05349  
(55) 1253 1900

Emergency telephone : 01 800 837 2998 Please request assistance in Spanish language

Issuing date : 19.04.2018

**SECTION 2. HAZARDS IDENTIFICATION**
**GHS Classification**
**Product AS SOLD**

Eye irritation, Category 2A

H319

Acute aquatic toxicity, Category 2

H401

**Product AT USE DILUTION**

Not a hazardous substance or mixture.

**GHS label elements**
**Product AS SOLD**

Hazard pictograms

Signal Word : Warning

Hazard Statements : H319 Causes serious eye irritation.  
H401 Toxic to aquatic life.

Precautionary Statements : **Prevention:**  
P264 Wash skin thoroughly after handling.  
P273 Avoid release to the environment.  
P280 Wear eye protection/ face protection.  
**Response:**  
P305 + P351 + P338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.  
**Disposal:**  
P501 Dispose of contents/ container to an approved waste disposal plant.

**Product AT USE DILUTION**

## SAFETY DATA SHEET

### SMARTPOWER RINSE ADDITIVE ALL PURPOSE

|                          |                              |                                                   |
|--------------------------|------------------------------|---------------------------------------------------|
| Precautionary Statements | : <b>Prevention:</b><br>P264 | Wash hands thoroughly after handling.             |
|                          | <b>Response:</b><br>P314     | Get medical advice/ attention if you feel unwell. |
|                          | <b>Storage:</b><br>P401      | Store in accordance with local regulations.       |

#### Product AS SOLD

Other hazards : None known.

### SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS

#### Product AS SOLD

Pure substance/mixture : Mixture

| Chemical name                          | CAS-No.    | Concentration (%) |
|----------------------------------------|------------|-------------------|
| oxirane, methyl-, polymer with oxirane | 9003-11-6  | 30 - 50           |
| Urea                                   | 57-13-6    | 30 - 50           |
| alcohols, c10-16, ethoxylated          | 68002-97-1 | 10 - 20           |

#### Product AT USE DILUTION

No hazardous ingredients

### SECTION 4. FIRST AID MEASURES

#### Product AS SOLD

|                                                             |                                                                                                                                                                                       |
|-------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| In case of eye contact                                      | : Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical attention. |
| In case of skin contact                                     | : Rinse with plenty of water.                                                                                                                                                         |
| If swallowed                                                | : Rinse mouth. Get medical attention if symptoms occur.                                                                                                                               |
| If inhaled                                                  | : Get medical attention if symptoms occur.                                                                                                                                            |
| Protection of first-aiders                                  | : If potential for exposure exists refer to Section 8 for specific personal protective equipment.                                                                                     |
| Notes to physician                                          | : Treat symptomatically.                                                                                                                                                              |
| Most important symptoms and effects, both acute and delayed | : See Section 11 for more detailed information on health effects and symptoms.                                                                                                        |

#### Product AT USE DILUTION

|                         |                                                         |
|-------------------------|---------------------------------------------------------|
| In case of eye contact  | : Rinse with plenty of water.                           |
| In case of skin contact | : Rinse with plenty of water.                           |
| If swallowed            | : Rinse mouth. Get medical attention if symptoms occur. |
| If inhaled              | : Get medical attention if symptoms occur.              |

### SECTION 5. FIRE-FIGHTING MEASURES

#### Product AS SOLD

## SAFETY DATA SHEET

### SMARTPOWER RINSE ADDITIVE ALL PURPOSE

- Suitable extinguishing media : Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.
- Unsuitable extinguishing media : None known.
- Specific hazards during fire fighting : Not flammable or combustible.
- Hazardous combustion products : Decomposition products may include the following materials:  
Carbon oxides  
Nitrogen oxides (NO<sub>x</sub>)  
Sulfur oxides  
Oxides of phosphorus
- Special protective equipment for fire-fighters : Use personal protective equipment.
- Specific extinguishing methods : Collect contaminated fire extinguishing water separately. This must not be discharged into drains. Fire residues and contaminated fire extinguishing water must be disposed of in accordance with local regulations.

### SECTION 6. ACCIDENTAL RELEASE MEASURES

#### Product AS SOLD

- Personal precautions, protective equipment and emergency procedures : Ensure clean-up is conducted by trained personnel only. Refer to protective measures listed.
- Environmental precautions : Do not allow contact with soil, surface or ground water.
- Methods and materials for containment and cleaning up : Sweep up and shovel into suitable containers for disposal.

#### Product AT USE DILUTION

- Personal precautions, protective equipment and emergency procedures : Refer to protective measures listed.
- Environmental precautions : No special environmental precautions required.
- Methods and materials for containment and cleaning up : Stop leak if safe to do so. Contain spillage, and then collect with non-combustible absorbent material, (e.g. sand, earth, diatomaceous earth, vermiculite) and place in container for disposal according to local / national regulations (see section 13). Flush away traces with water. For large spills, dike spilled material or otherwise contain material to ensure runoff does not reach a waterway.

### SECTION 7. HANDLING AND STORAGE

#### Product AS SOLD

- Advice on safe handling : Avoid contact with skin and eyes. Wash hands thoroughly after handling.
- Conditions for safe storage : Keep out of reach of children. Store in suitable labeled containers.
- Storage temperature : 0 °C to 40 °C

## SAFETY DATA SHEET

### SMARTPOWER RINSE ADDITIVE ALL PURPOSE

#### Product AT USE DILUTION

Advice on safe handling : Wash hands after handling. For personal protection see section 8.

Conditions for safe storage : Keep out of reach of children. Store in suitable labeled containers.

### SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

#### Product AS SOLD

##### Ingredients with workplace control parameters

Contains no substances with occupational exposure limit values.

Engineering measures : Good general ventilation should be sufficient to control worker exposure to airborne contaminants.

##### Personal protective equipment

Eye protection : Safety glasses with side-shields

Hand protection : No special protective equipment required.

Skin protection : No special protective equipment required.

Respiratory protection : No personal respiratory protective equipment normally required.

Hygiene measures : Handle in accordance with good industrial hygiene and safety practice. Wash face, hands and any exposed skin thoroughly after handling.

#### Product AT USE DILUTION

Engineering measures : Good general ventilation should be sufficient to control worker exposure to airborne contaminants.

##### Personal protective equipment

Eye protection : No special protective equipment required.

Hand protection : No special protective equipment required.

Skin protection : No special protective equipment required.

Respiratory protection : No personal respiratory protective equipment normally required.

### SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES

|                                         | Product AS SOLD     | Product AT USE DILUTION |
|-----------------------------------------|---------------------|-------------------------|
| Appearance                              | : Extruded solid.   | liquid                  |
| Color                                   | : clear, dark green | colorless               |
| Odor                                    | : odorless          | odorless                |
| pH                                      | : 2,5 - 4,0, (1 %)  | 6,5 - 8,5               |
| Flash point                             | : Not applicable    |                         |
| Odor Threshold                          | : No data available |                         |
| Melting point/freezing point            | : No data available |                         |
| Initial boiling point and boiling range | : No data available |                         |

## SAFETY DATA SHEET

### SMARTPOWER RINSE ADDITIVE ALL PURPOSE

|                                        |                                                            |
|----------------------------------------|------------------------------------------------------------|
| Evaporation rate                       | : No data available                                        |
| Flammability (solid, gas)              | : No data available                                        |
| Upper explosion limit                  | : No data available                                        |
| Lower explosion limit                  | : No data available                                        |
| Vapor pressure                         | : No data available                                        |
| Relative vapor density                 | : No data available                                        |
| Relative density                       | : 1,0 - 1,2                                                |
| Water solubility                       | : soluble                                                  |
| Solubility in other solvents           | : No data available                                        |
| Partition coefficient: n-octanol/water | : No data available                                        |
| Autoignition temperature               | : No data available                                        |
| Thermal decomposition                  | : No data available                                        |
| Viscosity, kinematic                   | : No data available                                        |
| Explosive properties                   | : No data available                                        |
| Oxidizing properties                   | : The substance or mixture is not classified as oxidizing. |
| Molecular weight                       | : No data available                                        |
| VOC                                    | : No data available                                        |

### SECTION 10. STABILITY AND REACTIVITY

#### Product AS SOLD

|                                    |                                                                                                                                                  |
|------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Chemical stability                 | : Stable under normal conditions.                                                                                                                |
| Possibility of hazardous reactions | : No dangerous reaction known under conditions of normal use.                                                                                    |
| Conditions to avoid                | : None known.                                                                                                                                    |
| Incompatible materials             | : None known.                                                                                                                                    |
| Hazardous decomposition products   | : Decomposition products may include the following materials:<br>Carbon oxides<br>Nitrogen oxides (NOx)<br>Sulfur oxides<br>Oxides of phosphorus |

### SECTION 11. TOXICOLOGICAL INFORMATION

Information on likely routes of exposure : Eye contact, Skin contact

#### Potential Health Effects

#### Product AS SOLD

|           |                                                               |
|-----------|---------------------------------------------------------------|
| Eyes      | : Causes serious eye irritation.                              |
| Skin      | : Health injuries are not known or expected under normal use. |
| Ingestion | : Health injuries are not known or expected under normal use. |

## SAFETY DATA SHEET

### SMARTPOWER RINSE ADDITIVE ALL PURPOSE

Inhalation : Health injuries are not known or expected under normal use.

Chronic Exposure : Health injuries are not known or expected under normal use.

#### Product AT USE DILUTION

Eyes : Health injuries are not known or expected under normal use.

Skin : Health injuries are not known or expected under normal use.

Ingestion : Health injuries are not known or expected under normal use.

Inhalation : Health injuries are not known or expected under normal use.

Chronic Exposure : Health injuries are not known or expected under normal use.

#### Experience with human exposure

##### Product AS SOLD

Eye contact : Redness, Pain, Irritation

Skin contact : No symptoms known or expected.

Ingestion : No symptoms known or expected.

Inhalation : No symptoms known or expected.

#### Product AT USE DILUTION

Eye contact : No symptoms known or expected.

Skin contact : No symptoms known or expected.

Ingestion : No symptoms known or expected.

Inhalation : No symptoms known or expected.

#### Toxicity

##### Product AS SOLD Product

Acute oral toxicity : Acute toxicity estimate : > 5.000 mg/kg

Acute inhalation toxicity : No data available

Acute dermal toxicity : No data available

Skin corrosion/irritation : No data available

Serious eye damage/eye irritation : No data available

Respiratory or skin sensitization : No data available

Carcinogenicity : No data available

Reproductive effects : No data available

Germ cell mutagenicity : No data available

Teratogenicity : No data available

STOT-single exposure : No data available

STOT-repeated exposure : No data available

## SAFETY DATA SHEET

### SMARTPOWER RINSE ADDITIVE ALL PURPOSE

Aspiration toxicity : No data available

#### Ingredients

Acute inhalation toxicity : oxirane, methyl-, polymer with oxirane  
4 h LD50 Rat: 1 mg/l Test atmosphere: dust/mist

Urea  
4 h LC50 Rat: > 2,71 mg/l Test atmosphere: dust/mist

alcohols, c10-16, ethoxylated  
4 h LC50 Rat: > 50 mg/l Test atmosphere: dust/mist

#### Ingredients

Acute dermal toxicity : Urea  
LD50 Rat: 8.200 mg/kg

### SECTION 12. ECOLOGICAL INFORMATION

#### Product AS SOLD

##### Ecotoxicity

Environmental Effects : Toxic to aquatic life.

#### Product

Toxicity to fish : No data available

Toxicity to daphnia and other aquatic invertebrates : No data available

Toxicity to algae : No data available

#### Ingredients

Toxicity to fish : oxirane, methyl-, polymer with oxirane  
96 h LC50 Fish: > 100 mg/l

Urea  
96 h LC50 Fish: 127,9 mg/l

#### Ingredients

Toxicity to daphnia and other aquatic invertebrates : alcohols, c10-16, ethoxylated  
48 h EC50: > 0,1 mg/l

#### Persistence and degradability

##### Product AS SOLD

Biodegradable

##### Product AT USE DILUTION

Not applicable - inorganic

#### Bioaccumulative potential

No data available

#### Mobility in soil

No data available

#### Other adverse effects

## SAFETY DATA SHEET

### SMARTPOWER RINSE ADDITIVE ALL PURPOSE

No data available

#### SECTION 13. DISPOSAL CONSIDERATIONS

##### Product AS SOLD

- Disposal methods : The product should not be allowed to enter drains, water courses or the soil. Where possible recycling is preferred to disposal or incineration. If recycling is not practicable, dispose of in compliance with local regulations. Dispose of wastes in an approved waste disposal facility.
- Disposal considerations : Dispose of as unused product. Empty containers should be taken to an approved waste handling site for recycling or disposal. Do not re-use empty containers. Dispose of in accordance with local, state, and federal regulations.

##### Product AT USE DILUTION

- Disposal methods : Diluted product can be flushed to sanitary sewer.
- Disposal considerations : Dispose of in accordance with local, state, and federal regulations.

#### SECTION 14. TRANSPORT INFORMATION

##### Product AS SOLD

The shipper/consignor/sender is responsible to ensure that the packaging, labeling, and markings are in compliance with the selected mode of transport.

##### Land transport: generally applicable for transport in Mexico.

Not dangerous goods

##### Air transport (IATA)

Contact Regulatory for air freight eligibility

##### Sea transport (IMDG/IMO)

Not dangerous goods

#### SECTION 15. REGULATORY INFORMATION

Mexico: Our SDS meets the requirements established by the Official Mexican Regulation NOM-018-STPS-2015, Harmonized System for the identification and communication of hazards and risks by dangerous chemical substances in work centers.

#### SECTION 16. OTHER INFORMATION

##### Product AS SOLD

## SAFETY DATA SHEET

### SMARTPOWER RINSE ADDITIVE ALL PURPOSE

#### NFPA:
