

Technical Data Sheet

Product: Cockroach Monitor Small in Black

Code: CAT-REPS-B

Product Function: Monitoring

Description: A simple and effective plastic trap for the continuous monitoring of cockroaches. Small and large cockroach tablets can be used with this trap. Glue boards for the trap can be purchased and are recommended for this trap.

Dimensions: 110 x 80 x 17mm

Release Paper: None

Glue: None

Packaging: Box of 100

Trap Application:

Remove the release paper from the cardboard insert. Open the plastic trap and place the cardboard insert inside. Place the tablet in the centre of the trap and click shut to secure.

When to Use:

All year round.

Trap Density:

Place the trap where infestation is suspected, ensuring it is in a convenient place to check regularly.

Replacement:

The tablet will remain effective for 6 - 8 weeks, however, replace the traps earlier if it becomes full.

Storage

Store this product at room temperature for effective storage.

Keep out of direct sunlight.

Precautions

- Handle carefully, avoid extensive contact by hand and wear gloves when handling.
- Do not eat or drink while handling this product.
