

## SAFETY DATA SHEET

### ECO-CLEAN ELITE 160 RINSE ADDITIVE

#### 1. SECTION: PRODUCT AND COMPANY IDENTIFICATION

Product name : 機用餐具催乾劑  
ECO-CLEAN ELITE 160 RINSE ADDITIVE

Other means of identification : Not applicable

Recommended use : Rinse additive

Restrictions on use : Reserved for industrial and professional use.

Product dilution information : 0.05 % - 0.15 %

Company : Ecolab Limited  
10F., No.172, Sec.4, Chengde Rd., Shilin Dist., Taipei, Taiwan 111  
(02) 8978-1234

Emergency telephone : 86-0532-83889090 (24 h)  
1-651-222-5352 (United States)

Issuing date : 29.04.2020

#### 2. SECTION: HAZARDS IDENTIFICATION

##### GHS Classification

##### Product AS SOLD

Not a hazardous substance or mixture.

##### Product AT USE DILUTION

Not a hazardous substance or mixture.

##### GHS label elements

##### Product AS SOLD

Precautionary Statements : **Prevention:**  
Wash hands thoroughly after handling.  
**Response:**  
Get medical advice/ attention if you feel unwell.  
**Storage:**  
Store in accordance with local regulations.

##### Product AT USE DILUTION

Precautionary Statements : **Prevention:**  
Wash hands thoroughly after handling.  
**Response:**  
Get medical advice/ attention if you feel unwell.  
**Storage:**  
Store in accordance with local regulations.

##### Product AS SOLD

Other hazards : None known.

#### 3. SECTION: COMPOSITION/INFORMATION ON INGREDIENTS

##### Product AS SOLD

## SAFETY DATA SHEET

### ECO-CLEAN ELITE 160 RINSE ADDITIVE

Pure substance/mixture : Mixture

No hazardous ingredients

#### Product AT USE DILUTION

No hazardous ingredients

### 4. SECTION: FIRST AID MEASURES

First aid measures for different exposure routes

#### Product AS SOLD

In case of eye contact : Rinse with plenty of water.

In case of skin contact : Rinse with plenty of water.

If swallowed : Rinse mouth. Get medical attention if symptoms occur.

If inhaled : Get medical attention if symptoms occur.

Protection of first-aiders : No special precautions are necessary for first aid responders.

Notes to physician : No specific measures identified.

Most important symptoms and effects, both acute and delayed : See Section 11 for more detailed information on health effects and symptoms.

#### Product AT USE DILUTION

In case of eye contact : Rinse with plenty of water.

In case of skin contact : Rinse with plenty of water.

If swallowed : Rinse mouth. Get medical attention if symptoms occur.

If inhaled : Get medical attention if symptoms occur.

### 5. SECTION: FIRE-FIGHTING MEASURES

#### Product AS SOLD

Suitable extinguishing media : Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

Unsuitable extinguishing media : None known.

Specific hazards during fire fighting : Not flammable or combustible.

Hazardous combustion products : Decomposition products may include the following materials:  
Carbon oxides  
Sulfur oxides  
Oxides of phosphorus

Special protective equipment for fire-fighters : Use personal protective equipment.

## SAFETY DATA SHEET

### ECO-CLEAN ELITE 160 RINSE ADDITIVE

Specific extinguishing methods : Fire residues and contaminated fire extinguishing water must be disposed of in accordance with local regulations.

#### 6. SECTION: ACCIDENTAL RELEASE MEASURES

##### Product AS SOLD

Personal precautions, protective equipment and emergency procedures : Refer to protective measures listed in sections 7 and 8.

Environmental precautions : No special environmental precautions required.

Methods and materials for containment and cleaning up : Stop leak if safe to do so. Contain spillage, and then collect with non-combustible absorbent material, (e.g. sand, earth, diatomaceous earth, vermiculite) and place in container for disposal according to local / national regulations (see section 13). Flush away traces with water. For large spills, dike spilled material or otherwise contain material to ensure runoff does not reach a waterway.

##### Product AT USE DILUTION

Personal precautions, protective equipment and emergency procedures : Refer to protective measures listed in sections 7 and 8.

Environmental precautions : No special environmental precautions required.

Methods and materials for containment and cleaning up : Stop leak if safe to do so. Contain spillage, and then collect with non-combustible absorbent material, (e.g. sand, earth, diatomaceous earth, vermiculite) and place in container for disposal according to local / national regulations (see section 13). Flush away traces with water. For large spills, dike spilled material or otherwise contain material to ensure runoff does not reach a waterway.

#### 7. SECTION: HANDLING AND STORAGE

##### Product AS SOLD

Advice on safe handling : Wash hands after handling. In case of mechanical malfunction, or if in contact with unknown dilution of product, wear full Personal Protective Equipment (PPE). For personal protection see section 8.

Conditions for safe storage : Keep out of reach of children. Keep container tightly closed. Store in suitable labeled containers.

Storage temperature : 0 °C to 50 °C

##### Product AT USE DILUTION

Advice on safe handling : Wash hands after handling. In case of mechanical malfunction, or if in contact with unknown dilution of product, wear full Personal Protective Equipment (PPE). For personal protection see section 8.

Conditions for safe storage : Keep out of reach of children. Keep container tightly closed. Store in suitable labeled containers.

#### 8. SECTION: EXPOSURE CONTROLS/PERSONAL PROTECTION

##### Product AS SOLD

Ingredients with workplace control parameters

## SAFETY DATA SHEET

### ECO-CLEAN ELITE 160 RINSE ADDITIVE

Contains no substances with occupational exposure limit values.

Engineering measures : Good general ventilation should be sufficient to control worker exposure to airborne contaminants.

#### Personal protective equipment

Eye protection : No special protective equipment required.

Hand protection : No special protective equipment required.

Skin protection : No special protective equipment required.

Respiratory protection : No personal respiratory protective equipment normally required.

Hygiene measures : Wash hands before breaks and immediately after handling the product.

#### Product AT USE DILUTION

Engineering measures : Good general ventilation should be sufficient to control worker exposure to airborne contaminants.

#### Personal protective equipment

Eye protection : No special protective equipment required.

Hand protection : No special protective equipment required.

Skin protection : No special protective equipment required.

Respiratory protection : No personal respiratory protective equipment normally required.

## 9. SECTION: PHYSICAL AND CHEMICAL PROPERTIES

|                                         | Product AS SOLD      | Product AT USE DILUTION |
|-----------------------------------------|----------------------|-------------------------|
| Appearance                              | : liquid             | liquid                  |
| Color                                   | : clear, dark blue   | blue                    |
| Odor                                    | : slight             | odorless                |
| pH                                      | : 1.5 - 3.0, (100 %) | 3.3 - 5.28              |
| Flash point                             | : Not applicable     |                         |
| Odor Threshold                          | : No data available  |                         |
| Melting point/freezing point            | : No data available  |                         |
| Initial boiling point and boiling range | : > 100 °C           |                         |
| Evaporation rate                        | : No data available  |                         |
| Flammability (solid, gas)               | : Not applicable     |                         |
| Upper explosion limit                   | : No data available  |                         |
| Lower explosion limit                   | : No data available  |                         |
| Vapor pressure                          | : No data available  |                         |
| Relative vapor density                  | : No data available  |                         |
| Relative density                        | : 1.04 - 1.06        |                         |

## SAFETY DATA SHEET

| Oxidizing properties                   | : No data available |
| Molecular weight                       | : No data available |
| VOC                                    | : No data available |

### 10. SECTION: STABILITY AND REACTIVITY

#### Product AS SOLD

|                                    |                                                                                                                         |
|------------------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Reactivity                         | : No dangerous reaction known under conditions of normal use.                                                           |
| Chemical stability                 | : Stable under normal conditions.                                                                                       |
| Possibility of hazardous reactions | : No dangerous reaction known under conditions of normal use.                                                           |
| Conditions to avoid                | : None known.                                                                                                           |
| Incompatible materials             | : Bases                                                                                                                 |
| Hazardous decomposition products   | : Decomposition products may include the following materials:<br>Carbon oxides<br>Sulfur oxides<br>Oxides of phosphorus |

### 11. SECTION: TOXICOLOGICAL INFORMATION

|                                          |                                         |
|------------------------------------------|-----------------------------------------|
| Information on likely routes of exposure | : Inhalation, Eye contact, Skin contact |
|------------------------------------------|-----------------------------------------|

#### Potential Health Effects

#### Product AS SOLD

|                  |                                                               |
|------------------|---------------------------------------------------------------|
| Eyes             | : Health injuries are not known or expected under normal use. |
| Skin             | : Health injuries are not known or expected under normal use. |
| Ingestion        | : Health injuries are not known or expected under normal use. |
| Inhalation       | : Health injuries are not known or expected under normal use. |
| Chronic Exposure | : Health injuries are not known or expected under normal use. |

#### Product AT USE DILUTION

|      |                                                               |
|------|---------------------------------------------------------------|
| Eyes | : Health injuries are not known or expected under normal use. |
| Skin | : Health injuries are not known or expected under normal use. |

## SAFETY DATA SHEET

|-----------------------------------|---------------------------------------------------------------------|
| Acute oral toxicity               | : No data available                                                 |
| Acute inhalation toxicity         | : 4 h Acute toxicity estimate : > 40 mg/l<br>Test atmosphere: vapor |
| Acute dermal toxicity             | : No data available                                                 |
| Skin corrosion/irritation         | : No data available                                                 |
| Serious eye damage/eye irritation | : No data available                                                 |
| Respiratory or skin sensitization | : No data available                                                 |
| Carcinogenicity                   | : No data available                                                 |
| Reproductive effects              | : No data available                                                 |
| Germ cell mutagenicity            | : No data available                                                 |
| Teratogenicity                    | : No data available                                                 |
| STOT-single exposure              | : No data available                                                 |
| STOT-repeated exposure            | : No data available                                                 |
| Aspiration toxicity               | : No data available                                                 |

## 12. SECTION: ECOLOGICAL INFORMATION

##### Product AS SOLD

##### Ecotoxicity

|                       |                                                       |
|-----------------------|-------------------------------------------------------|
| Environmental Effects | : This product has no known ecotoxicological effects. |
|-----------------------|-------------------------------------------------------|

## SAFETY DATA SHEET

### ECO-CLEAN ELITE 160 RINSE ADDITIVE

#### Product

Toxicity to fish : No data available

Toxicity to daphnia and other aquatic invertebrates : No data available

Toxicity to algae : No data available

#### Persistence and degradability

##### Product AS SOLD

Poorly biodegradable

#### Bioaccumulative potential

No data available

#### Mobility in soil

No data available

#### Other adverse effects

No data available

### 13. SECTION: DISPOSAL CONSIDERATIONS

#### Product AS SOLD

Disposal methods : Where possible recycling is preferred to disposal or incineration. If recycling is not practicable, dispose of in compliance with local regulations. Dispose of wastes in an approved waste disposal facility.

Disposal considerations : Dispose of in accordance with local, state, and federal regulations.

#### Product AT USE DILUTION

Disposal methods : Where possible recycling is preferred to disposal or incineration. If recycling is not practicable, dispose of in compliance with local regulations. Dispose of wastes in an approved waste disposal facility.

Disposal considerations : Dispose of in accordance with local, state, and federal regulations.

### 14. SECTION: TRANSPORT INFORMATION

#### Product AS SOLD

The shipper/consignor/sender is responsible to ensure that the packaging, labeling, and markings are in compliance with the selected mode of transport.

#### Land transport

Not dangerous goods

#### Sea transport (IMDG/IMO)

Not dangerous goods

Special precautions for user : None

### 15. SECTION: REGULATORY INFORMATION

#### National regulatory information

## SAFETY DATA SHEET

### ECO-CLEAN ELITE 160 RINSE ADDITIVE

Regulations on Labelling and Hazard Communication of Hazardous Chemicals

#### National regulatory information

Regulations on Occupational Safety and Health Facilities

#### National regulatory information

Standards for the Storage, Cleanup, Handling and Disposal of Industrial Waste

#### National regulatory information

Regulations on Labelling and Hazard Communication of Hazardous Chemicals

#### National regulatory information

Regulations on Occupational Safety and Health Facilities

Standards for the Storage, Cleanup, Handling and Disposal of Industrial Waste

**The ingredients of this product are reported in the following inventories:**

#### United States TSCA Inventory :

All substances listed as active on the TSCA inventory

#### Canadian Domestic Substances List (DSL) :

All components of this product are on the Canadian DSL

#### Australia Inventory of Chemical Substances (AICS) :

not determined

#### New Zealand. Inventory of Chemical Substances :

not determined

#### Japan. ENCS - Existing and New Chemical Substances Inventory :

not determined

#### Korea. Korean Existing Chemicals Inventory (KECI) :

On the inventory, or in compliance with the inventory

#### Philippines Inventory of Chemicals and Chemical Substances (PICCS) :

This product and/or component(s) are exempt or excluded from the Philippines Inventory of Chemicals and Chemical Substances (PICCS) under the Republic Act 6969 (RA 6969).

#### China. Inventory of Existing Chemical Substances in China (IECSC) :

On the inventory, or in compliance with the inventory

#### Taiwan Chemical Substance Inventory (TCSI) :

not determined

### 16. SECTION: OTHER INFORMATION

Sources of key data used to compile the Safety Data Sheet

Globally Harmonized System of Classification and Labeling of Chemicals (GHS)
