

# NARA Safety Data Sheet

according to Regulation (EC) No 1907/2006 (REACH)

**Prepared:** 09.05.2019  
**Revision date :** 01.01.2021  
**Valid from.** 09.05.2019  
**Version:** 1.1

**Replaces Version:** All MSDS until 10.10.2018

## SECTION 1: Identification of the substance/mixture and of the company/undertaking

### 1.1 Product identifier :

**Tradename/ designation:**

NARA Bloc Vanilla, NARA Bloc Meat, NARA Bloc Fish, NARA Bloc Mango, NARA Bloc Choco- Nut  
NARA Lure Vanilla, NARA Lure Meat, NARA Lure Fish, NARA Lure Mango, NARA Lure Choco- Nut

### 1.2 Relevant identified uses of the substance or mixture and uses advised against

**Relevant identified uses:**

Not applicable

**Used advised against:**

Not applicable

### 1.3 Details of the suppliers of this safety data sheet

Futura GmbH  
Rudolf-Diesel-Str. 35  
33178 Borcheln

T: +49 (0) 5251 69161-79

F: +49 (0) 5251 69161-66

E-Mail: [info@futura-shop.de](mailto:info@futura-shop.de)

[www.futura-shop.de](http://www.futura-shop.de)

### 1.4 Emergency telephone number :

Country  
Germany

Organisation/company  
Giftnotruf Berlin

Telephone 1  
+49 (0) 30 19240

Telephone 2  
+49 (0) 30 30686-711

## Section 2: hazard Identification

### 2.1 Classification of the substance or mixture

**Classification according to Regulation (EC) No 1272/2008:**

Not applicable

**Sonstige Gefahren**

No additional information available.

### 2.2 Label elements

**Labeling according to Regulation (EC) No 1272/2008**

Not applicable

### 2.3 Other hazards

Not applicable

## Section 3: Composition / information on ingredients

### 3.1 Substances

Not applicable

### 3.2 Mixtures

This mixture does not contain any substances to be mentioned according to the criteria of section 3.2 of REACH annex II

**SECTION 4: First aid measures****4.1 Description of first aid measures**

|                        |                                                      |
|------------------------|------------------------------------------------------|
| Following inhalation   | Not applicable.                                      |
| Following skin contact | No hazards which require special first aid measures. |
| Following skin contact | No hazards which require special first aid measures. |
| Following ingestion    | No hazards which require special first aid measures. |

**4.2 Most important symptoms and effects, both acute and delayed**

No additional information available.

**4.3 Indication of any immediate medical attention and special treatment needed**

No additional information available.

**Section 5: Firefighting measures****5.1 Extinguishing media**

|                                 |                                                      |
|---------------------------------|------------------------------------------------------|
| Suitable extinguishing media:   | Foam. Dry powder. Carbon dioxide. Water spray. Sand. |
| Unsuitable extinguishing media: | Do not use a heavy water stream.                     |

**5.2 Special hazards arising from the substance or mixture**

No additional information available.

**5.3 Advice for fire fighters**

Firefighting instructions: Use water spray or fog for cooling exposed containers. Exercise caution when fighting any Chemical fire. Avoid (reject) fire-fighting water to enter environment.  
Do not enter fire without proper protective equipment, including respiratory protection.

**Section 6: Accidental release measures****6.1 Personal precautions, protective equipment and emergency procedures****6.1.1. Personal precautions, protective equipment and emergency procedures**

No additional information available.

**6.2 Environmental precautions**

Avoid release to the environment.

**6.3 Methods and material for containment and cleaning up**

Methods for cleaning up: Recover mechanically the product.

**6.4 Reference to other sections**

Concerning personal protective equipment to use, see item 8.  
Concerning disposal elimination after cleaning, see item 13.

**SECTION 7: Handling and storage****7.1 Protective measures**

No additional information available.

**7.2 Conditions for safe storage, including any incompatibilities**

No additional information available.

**7.3 Specific end use**

No additional information available.

**SECTION 8: Exposure controls/personal protection****8.1 Control parameters**

No additional information available.

**8.2 Exposure control**

|                          |                                     |
|--------------------------|-------------------------------------|
| Hand protection          | : Protection clothing not mandatory |
| Eye protection           | : Protection clothing not mandatory |
| Skind- & body protection | : Protection clothing not mandatory |
| Respiratory protection   | : Protection clothing not mandatory |

**SECTION 9: Physical and chemical properties****9.1 Information on basic physical and chemical properties**

|                                               |                                                                                |
|-----------------------------------------------|--------------------------------------------------------------------------------|
| Appearance                                    | Solid                                                                          |
| - aggregate state                             | Vanilla= Blue, Meat= Red, Fish= Orange, Mango= Yellow, Choco- Nut= Brown       |
| - Colour:                                     | Vanilla= Vanilla, Meat= Meat, Fish= Fish, Mango= Mango, Choco- Nut= Choco- Nut |
| Odour :                                       | No data available                                                              |
| Odour threshold :                             | No data available                                                              |
| pH-value :                                    | 150 ° C                                                                        |
| Melting point/ freezing point:                | No data available                                                              |
| Boiling point:                                | No data available                                                              |
| Flash point :                                 | No data available                                                              |
| Evaporation rate :                            | No data available                                                              |
| Flammability (Solid, gas) :                   | No data available                                                              |
| Upper/ lower flammability or exposure limits: | No data available                                                              |
| Solubility:                                   | Water= no solubility                                                           |
| Partition coefficient:                        | No data available                                                              |
| Auto ignition temperature:                    | No data available                                                              |
| Decomposition temperature:                    | No data available                                                              |
| Viscosity, kinematic:                         | No data available                                                              |
| Viscosity, dynamic:                           | No data available                                                              |
| Explosion properties :                        | No data available                                                              |
| Oxidising properties:                         | No data available                                                              |

**9.2 Other information**

No additional information available.

**SECTION 10: Stability and reactivity****10.1 Reactivity**

No additional information available.

**10.2 Chemical stability**

No additional information available.

**10.3 Possibility of hazardous reactions**

No additional information available.

**10.4 Conditions to avoid**

No additional information available.

**10.5 Incompatible material**

No additional information available.

**10.6 Hazardous decomposition products**

No additional information available.

### SECTION 11: Toxicological information

#### 11.1 Information on toxicological effects

|                                                     |                                                                   |
|-----------------------------------------------------|-------------------------------------------------------------------|
| Acute oral toxicity                                 | Not classified                                                    |
| Acute dermal toxicity                               | Not classified                                                    |
| Acute Eye toxicity                                  | Not classified                                                    |
| Irritation skin/ eyes                               | Not classified                                                    |
| Potential adverse human health effects and symptoms | Based on the available data, the classification is not applicable |

### SECTION 12: Ecological information

#### 12.1 Toxicity

No additional information available.

#### 12.2 Persistence and degradability

Not established

#### 12.3 Bio accumulative potential

Not established

#### 12.4 Mobility in soil

No additional information available.

#### 12.5 Results of PBT and vPvB assessment

No additional information available.

#### 12.6 Other adverse effects

Avoid release to the environment

### SECTION 13: Disposal considerations

#### 13.1 Waste treatment methods

|                                |   |                                                                          |
|--------------------------------|---|--------------------------------------------------------------------------|
| Waste disposal recommendations | : | Dispose in a safe manner in accordance with local/ national regulations. |
| Ecology- waste material        | : | Avoid release to the environment                                         |

### SECTION 14: Transport information

#### 14.1 UN-Number

No dangerous good according to any transport regulations

#### 14.2 UN proper shipping name

##### ADR/RID

Not applicable

##### IMDG-Code / ICAO-TI / IATA-DGR

Not applicable

#### 14.3 Transport hazard classes

Not applicable

#### 14.4 Packing group

Not applicable

#### 14.5 Environmental hazards

##### Indication/ marks:

ADR/RID / IMDG-Code / ICAO-TI / IATA-DGR: ☒ Yes / ☐ No

Marine <sup>^</sup> 23: ☒ Yes / ☐ NO

# NARA

## Safety Data Sheet

According to Regulation (EG) Nr. 1907/2006

### 14.6 Special precautions for user

No additional information available

### 14.7 Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code

Not applicable

## SECTION 15: Regulatory information

### 15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture

#### EU-Regulations

No REACH Annex XVII restrictions

#### National Regulations

No additional information available.

### 15.2 Chemical Safety Assessment

No chemical safety assessment has been carried out.

## SECTION 16: Other information

Source: REGULATION (EG) Nr. 1272/2008 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 16 December 2008 on classification, labelling and packaging of substances and mixtures, amending and repealing Directives 67/548/EEC and 1999/45/EC, and amending Regulation (EC) No 1907/2006.

Further information: None
