

**First Impression Cucumber Melon Micro Aerosol**
**SECTION 1. PRODUCT AND COMPANY IDENTIFICATION**

Product name : เฟิร์สท์ อิมเพรสชั่น คิวคัมเบอร์ เมล่อน ไมโคร แอโรซอล  
First Impression Cucumber Melon Micro Aerosol

Other means of identification : Not applicable

Recommended use : Air Freshener

Restrictions on use : Reserved for industrial and professional use.

Product dilution information : Product is sold ready to use.

Company : Ecolab Ltd.  
101/97 Navanakorn Industrial Estate,  
Klongnueng Klongluang,  
Pathumtanee 12120  
Thailand

Telephone : +66-2909-7030

Fax : +66-2909-2274

Emergency telephone : +1-651-222-5352 (United States)

Issuing date : 11.05.2017

**SECTION 2. HAZARDS IDENTIFICATION**
**GHS Classification**

Flammable aerosols : Category 2  
Skin corrosion/irritation : Category 2  
Serious eye damage/eye irritation : Category 2A  
Skin sensitization : Category 1  
Specific target organ systemic toxicity - single exposure : Category 3 (Central nervous system)

**GHS label elements**

Hazard pictograms :

Signal Word : Warning

Hazard Statements : Flammable aerosol.  
Causes skin irritation.  
May cause an allergic skin reaction.  
Causes serious eye irritation.  
May cause drowsiness or dizziness.

Precautionary Statements : **Prevention:**  
Keep away from heat/sparks/open flames/hot surfaces. No smoking.  
Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Avoid breathing dust/fume/ gas/ mist/ vapors/ spray. Wash skin thoroughly after handling.

## SAFETY DATA SHEET

### First Impression Cucumber Melon Micro Aerosol

Use only outdoors or in a well-ventilated area. Contaminated work clothing must not be allowed out of the workplace. Wear protective gloves/ eye protection/ face protection.

**Response:**

IF ON SKIN: Wash with plenty of soap and water. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor/ physician if you feel unwell. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If skin irritation or rash occurs: Get medical advice/ attention. If eye irritation persists: Get medical advice/ attention. Take off contaminated clothing and wash before reuse.

**Storage:**

Store in a well-ventilated place. Keep container tightly closed. Store locked up. Protect from sunlight. Do not expose to temperatures exceeding 50 °C/ 122 °F.

**Disposal:**

Dispose of contents/ container to an approved waste disposal plant.

**Other hazards** : None known.

### SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS

Pure substance/mixture : Mixture

| Chemical name            | CAS-No.                | Concentration (%) |
|--------------------------|------------------------|-------------------|
| propane                  | 74-98-6                | 10 - 30           |
| Aliphatic hydrocarbons   | 106-97-8               | 10 - 30           |
| ethanol                  | 64-17-5                | 10 - 30           |
| Fragrance                | Proprietary Ingredient | 10 - 30           |
| 2-methylpentane-2,4-diol | 107-41-5               | 10 - 30           |
| 2-methylpropan-2-ol      | 75-65-0                | 0.1 - 1           |

### SECTION 4. FIRST AID MEASURES

|                                                             |                                                                                                                                                                                            |
|-------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| In case of eye contact                                      | : Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical attention.      |
| In case of skin contact                                     | : Wash off immediately with plenty of water for at least 15 minutes. Use a mild soap if available. Wash clothing before reuse. Thoroughly clean shoes before reuse. Get medical attention. |
| If swallowed                                                | : Rinse mouth. Get medical attention if symptoms occur.                                                                                                                                    |
| If inhaled                                                  | : Remove to fresh air. Treat symptomatically. Get medical attention if symptoms occur.                                                                                                     |
| Protection of first-aiders                                  | : If potential for exposure exists refer to Section 8 for specific personal protective equipment.                                                                                          |
| Notes to physician                                          | : Treat symptomatically.                                                                                                                                                                   |
| Most important symptoms and effects, both acute and delayed | : See Section 11 for more detailed information on health effects and symptoms.                                                                                                             |

### SECTION 5. FIRE-FIGHTING MEASURES

## SAFETY DATA SHEET

### First Impression Cucumber Melon Micro Aerosol

- Suitable extinguishing media : Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.
- Unsuitable extinguishing media : High volume water jet
- Specific hazards during fire fighting : Pressurised container: May burst if heated.  
Flammable aerosols
- Hazardous combustion products : Decomposition products may include the following materials:  
Carbon oxides
- Special protective equipment for fire-fighters : Use personal protective equipment.
- Specific extinguishing methods : Fire residues and contaminated fire extinguishing water must be disposed of in accordance with local regulations. In the event of fire and/or explosion do not breathe fumes.

#### SECTION 6. ACCIDENTAL RELEASE MEASURES

- Personal precautions, protective equipment and emergency procedures : Ensure clean-up is conducted by trained personnel only. Refer to protective measures listed in sections 7 and 8.
- Environmental precautions : Do not allow contact with soil, surface or ground water.
- Methods and materials for containment and cleaning up : Stop leak if safe to do so.

#### SECTION 7. HANDLING AND STORAGE

- Advice on safe handling : Avoid contact with skin and eyes. Use only with adequate ventilation. Contents under pressure. Do not puncture. Wash hands thoroughly after handling. Do not get in eyes, on skin, or on clothing.
- Conditions for safe storage : Keep in a cool, well-ventilated place. Keep out of reach of children. Keep container tightly closed. Store in suitable labeled containers.
- Storage temperature : 0 °C to 50 °C

#### SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

##### Ingredients with workplace control parameters

| Ingredients | CAS-No. | Form of exposure | Permissible concentration            | Basis  |
|-------------|---------|------------------|--------------------------------------|--------|
| ethanol     | 64-17-5 | TWA              | 1,000 ppm<br>1,900 mg/m <sup>3</sup> | TH OEL |

- Engineering measures : Effective exhaust ventilation system. Maintain air concentrations below occupational exposure standards.

##### Personal protective equipment

- Eye protection : Safety glasses with side-shields

## SAFETY DATA SHEET

### First Impression Cucumber Melon Micro Aerosol

|                        |                                                                                                                                                                                                   |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Hand protection        | : Wear the following personal protective equipment:<br>Standard glove type.<br>Gloves should be discarded and replaced if there is any indication of degradation or chemical breakthrough.        |
| Skin protection        | : Wear suitable protective clothing.                                                                                                                                                              |
| Respiratory protection | : When workers are facing concentrations above the exposure limit they must use appropriate certified respirators.                                                                                |
| Hygiene measures       | : Handle in accordance with good industrial hygiene and safety practice. Remove and wash contaminated clothing before re-use.<br>Wash face, hands and any exposed skin thoroughly after handling. |

### SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES

|                                         |                     |
|-----------------------------------------|---------------------|
| Appearance                              | : aerosol           |
| Color                                   | : colorless         |
| Odor                                    | : fruity            |
| pH                                      | : Not applicable    |
| Flash point                             | : Not applicable    |
| Odor Threshold                          | : No data available |
| Melting point/freezing point            | : No data available |
| Initial boiling point and boiling range | : No data available |
| Evaporation rate                        | : No data available |
| Flammability (solid, gas)               | : No data available |
| Upper explosion limit                   | : No data available |
| Lower explosion limit                   | : No data available |
| Vapor pressure                          | : No data available |
| Relative vapor density                  | : No data available |
| Relative density                        | : No data available |
| Water solubility                        | : No data available |
| Solubility in other solvents            | : No data available |
| Partition coefficient: n-octanol/water  | : No data available |
| Autoignition temperature                | : No data available |
| Thermal decomposition                   | : No data available |
| Viscosity, kinematic                    | : No data available |
| Explosive properties                    | : No data available |
| Oxidizing properties                    | : No data available |
| Molecular weight                        | : No data available |
| VOC                                     | : No data available |
| Heat of combustion                      | : 28.11 kJ/g        |

## SAFETY DATA SHEET

### First Impression Cucumber Melon Micro Aerosol

#### SECTION 10. STABILITY AND REACTIVITY

|                                    |                                                                                |
|------------------------------------|--------------------------------------------------------------------------------|
| Chemical stability                 | : Stable under normal conditions.                                              |
| Possibility of hazardous reactions | : No dangerous reaction known under conditions of normal use.                  |
| Conditions to avoid                | : None known.                                                                  |
| Incompatible materials             | : None known.                                                                  |
| Hazardous decomposition products   | : Decomposition products may include the following materials:<br>Carbon oxides |

#### SECTION 11. TOXICOLOGICAL INFORMATION

Information on likely routes of exposure : Eye contact

Skin contact

##### Potential Health Effects

|                  |                                                               |
|------------------|---------------------------------------------------------------|
| Eyes             | : Causes serious eye irritation.                              |
| Skin             | : Causes skin irritation. May cause allergic skin reaction.   |
| Ingestion        | : Health injuries are not known or expected under normal use. |
| Inhalation       | : Inhalation may cause central nervous system effects.        |
| Chronic Exposure | : Health injuries are not known or expected under normal use. |

##### Experience with human exposure

|              |                                           |
|--------------|-------------------------------------------|
| Eye contact  | : Redness, Pain, Irritation               |
| Skin contact | : Redness, Irritation, Allergic reactions |
| Ingestion    | : No symptoms known or expected.          |
| Inhalation   | : Dizziness, Drowsiness                   |

##### Toxicity

##### Product

|                                   |                                           |
|-----------------------------------|-------------------------------------------|
| Acute oral toxicity               | : Acute toxicity estimate : > 5,000 mg/kg |
| Acute inhalation toxicity         | : No data available                       |
| Acute dermal toxicity             | : No data available                       |
| Skin corrosion/irritation         | : No data available                       |
| Serious eye damage/eye irritation | : No data available                       |
| Respiratory or skin sensitization | : No data available                       |

## SAFETY DATA SHEET

### First Impression Cucumber Melon Micro Aerosol

Carcinogenicity : No data available  
Reproductive effects : No data available  
Germ cell mutagenicity : No data available  
Teratogenicity : No data available  
STOT-single exposure : No data available  
STOT-repeated exposure : No data available  
Aspiration toxicity : No data available

#### Ingredients

Acute inhalation toxicity : Aliphatic hydrocarbons  
4 h LC50 Rat: 280000 ppm  
  
ethanol  
4 h LC50 Rat: 117 mg/l  
  
2-methylpentane-2,4-diol  
4 h LC50 Rat: 1.1 mg/l

#### Ingredients

Acute dermal toxicity : ethanol  
LD50 Rabbit: > 15,800 mg/kg  
  
2-methylpentane-2,4-diol  
LD50 Rat: 2,000 mg/kg

## SECTION 12. ECOLOGICAL INFORMATION

#### Ecotoxicity

Environmental Effects : This product has no known ecotoxicological effects.

#### Product

Toxicity to fish : No data available  
Toxicity to daphnia and other aquatic invertebrates : No data available  
Toxicity to algae : No data available

#### Ingredients

Toxicity to fish : Aliphatic hydrocarbons  
96 h LC50 Fish: 22.03 mg/l  
  
ethanol  
96 h LC50 Pimephales promelas (fathead minnow): > 100 mg/l

#### Ingredients

Toxicity to daphnia and other aquatic invertebrates : 2-methylpentane-2,4-diol  
48 h EC50 Daphnia: 2,800 mg/l  
  
2-methylpropan-2-ol  
48 h EC50: 933 mg/l

#### Persistence and degradability

No data available

## SAFETY DATA SHEET

### First Impression Cucumber Melon Micro Aerosol

#### Bioaccumulative potential

No data available

#### Mobility in soil

No data available

#### Other adverse effects

No data available

### SECTION 13. DISPOSAL CONSIDERATIONS

- Disposal methods : Where possible recycling is preferred to disposal or incineration. If recycling is not practicable, dispose of in compliance with local regulations. Dispose of wastes in an approved waste disposal facility.
- Disposal considerations : Dispose of as unused product. Empty containers should be taken to an approved waste handling site for recycling or disposal. Do not re-use empty containers. Dispose of in accordance with local, state, and federal regulations.

### SECTION 14. TRANSPORT INFORMATION

The shipper/consignor/sender is responsible to ensure that the packaging, labeling, and markings are in compliance with the selected mode of transport.

#### Land transport

- UN number : 1950
- Description of the goods : AEROSOLS
- Class : 2.1
- Environmentally hazardous : no

#### Sea transport (IMDG/IMO)

- UN number : 1950
- Description of the goods : AEROSOLS
- Class : 2.1
- Marine pollutant : no

### SECTION 15. REGULATORY INFORMATION

The ingredients of this product are reported in the following inventories:

#### United States TSCA Inventory :

On TSCA Inventory

#### Canadian Domestic Substances List (DSL) :

This product contains one or several components that are not on the Canadian DSL nor NDSL.

#### Australia Inventory of Chemical Substances (AICS) :

not determined

#### New Zealand. Inventory of Chemical Substances :

not determined

#### Japan. ENCS - Existing and New Chemical Substances Inventory :

## SAFETY DATA SHEET

### First Impression Cucumber Melon Micro Aerosol

not determined

**Korea. Korean Existing Chemicals Inventory (KECI) :**  
not determined

**Philippines Inventory of Chemicals and Chemical Substances (PICCS) :**  
On the inventory, or in compliance with the inventory

**China. Inventory of Existing Chemical Substances in China (IECSC) :**  
not determined

**Taiwan Chemical Substance Inventory :**  
not determined

### SECTION 16. OTHER INFORMATION

|                     |                      |
|---------------------|----------------------|
| Issuing date        | : 11.05.2017         |
| Date of first issue | : 11.05.2017         |
| Version             | : 1.0                |
| Prepared by         | : Regulatory Affairs |

REVISED INFORMATION: Significant changes to regulatory or health information for this revision is indicated by a bar in the left-hand margin of the SDS.

The information provided in this Material Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text.
