

SAFETY DATA SHEET

X-STATIC WOODY FLORAL

1. Chemical product and company identification

Chinese name : 固態芳香柔軟劑
Product name : X-STATIC WOODY FLORAL
Other names : None.
Product code : 911739
Recommended use and restrictions : Laundry product
Use only for the purpose on the product label.
Manufacturer/Supplier : Ecolab Limited
Address/Telephone : 6F, No. 13, Sec. 2, Peitou Rd., Peitou Dist.,
Taipei, 112, Taiwan, R.O.C.
(02) 2898-4800
Emergency telephone number : 1-651-222-5352 (in USA)

2. Hazards identification

GHS Classification : SKIN CORROSION/IRRITATION - Category 3
SERIOUS EYE DAMAGE/ EYE IRRITATION - Category 2B

GHS label elements

Signal word : Warning

Hazard statements : Causes mild skin irritation.
Causes eye irritation.

Precautionary statements

Prevention : Wash hands thoroughly after handling.

Response : IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

Other hazards : None known.

3. Composition/information on ingredients

Nature of material : Mixture
Chemical properties : Laundry product

Hazardous ingredients	Concentration Range (%)	CAS number
poly(oxy-1,2-ethanediyl), alpha-[2-[bis(2-aminoethyl)methylammonio]ethyl]-omega-]hydroxy-, n,n'-bis (hydrogenated tallow acyl) derivs., me sulfates (salts)	20 - 50	68389-89-9
Perfume ingredient.	1 - 5	Mixture.

There are no additional ingredients present which, within the current knowledge of the supplier and in the concentrations applicable, are classified as hazardous to health or the environment and hence require reporting in this section.

4. First aid measures

First aid measures

Eye contact : In case of contact, immediately flush eyes with plenty of water. Remove contact lenses and flush again. Get medical attention if irritation persists.

Skin contact : Rinse with water for a few minutes.

Inhalation : No special measures required. Treat symptomatically.

Ingestion : Get medical attention if symptoms occur.

4. First aid measures

Most important symptoms/effects, acute and delayed

- Eye contact** : Causes eye irritation.
- Skin contact** : Causes mild skin irritation.
- Inhalation** : Exposure to decomposition products may cause a health hazard. Serious effects may be delayed following exposure.
- Ingestion** : Irritating to mouth, throat and stomach.

Protection of first-aiders : No action shall be taken involving any personal risk or without suitable training. It may be dangerous to the person providing aid to give mouth-to-mouth resuscitation.

Notes to physician : In case of inhalation of decomposition products in a fire, symptoms may be delayed. The exposed person may need to be kept under medical surveillance for 48 hours.

See toxicological information (Section 11)

5. Fire-fighting measures

- Suitable fire extinguishing media** : Use water spray, fog or foam.
- Specific hazards arising from the chemical** : No specific fire or explosion hazard.
- Hazardous thermal decomposition products** : Decomposition products may include the following materials:
carbon dioxide
carbon monoxide
nitrogen oxides
- Specific fire-fighting methods** : Promptly isolate the scene by removing all persons from the vicinity of the incident if there is a fire. No action shall be taken involving any personal risk or without suitable training.
- Special protective equipment for fire-fighters** : Fire-fighters should wear appropriate protective equipment and self-contained breathing apparatus (SCBA) with a full face-piece operated in positive pressure mode.

6. Accidental release measures

- Personal precautions** : Use personal protective equipment as required. Do not touch or walk through spilled material.
- Environmental precautions** : Avoid contact of large amounts of spilled material and runoff with soil and surface waterways.
- Methods for cleaning up** : Collect spillage. Use a water rinse for final clean-up.

7. Handling and storage

- Handling** : Avoid contact with eyes, skin and clothing. Wash thoroughly after handling.
- Storage** : Keep out of reach of children. Keep container tightly closed. Keep container in a cool, well-ventilated area.
Do not store below the following temperature: 0°C

8. Exposure controls/personal protection

Control parameters

Ingredient name	Exposure limits
None.	

Biological indicator : Not available.

Appropriate engineering controls : Good general ventilation should be sufficient to control worker exposure to airborne contaminants.

Personal protection

8. Exposure controls/personal protection

Hygiene measures	: Wash hands, forearms and face thoroughly after handling chemical products, before eating, smoking and using the lavatory and at the end of the working period. Appropriate techniques should be used to remove potentially contaminated clothing. Wash contaminated clothing before reusing.
Eye protection	: No protective equipment is needed under normal use conditions.
Hand protection	: No protective equipment is needed under normal use conditions.
Skin protection	: No protective equipment is needed under normal use conditions.
Respiratory protection	: A respirator is not needed under normal and intended conditions of product use.

9. Physical and chemical properties

Appearance

Physical state	: Waxy solid
Color	: Beige [Light]
Odor	: Fragrance-like
pH	: 5 to 7 (1%)
Melting point	: Not available.
Boiling point	: Not available.
Flash point	: > 100°C
Evaporation rate (butyl acetate = 1)	: Not available.
Flammability (solid, gas)	: Not available.
Explosion limits	: Not available.
Vapor pressure	: Not available.
Vapor density	: Not available.
Relative density	: 1.1 to 1.3 (Water = 1)
Solubility	: Very slightly soluble in the following materials: cold water and hot water.
Partition coefficient: n-octanol/water	: Not available.
Auto-ignition temperature	: Not available.

10. Stability and reactivity

Stability	: The product is stable.
Possibility of hazardous reactions	: Under normal conditions of storage and use, hazardous reactions will not occur.
Conditions to avoid	: No specific data.
Materials to avoid	: Not available.
Hazardous decomposition products	: Under normal conditions of storage and use, hazardous decomposition products should not be produced.

11. Toxicological information

Route of exposure	: Skin contact, Eye contact, Ingestion
<u>Symptoms</u>	
Eye contact	: Adverse symptoms may include the following: irritation watering redness
Skin contact	: Adverse symptoms may include the following: irritation redness
Inhalation	: No specific data.

11. Toxicological information

Ingestion : No specific data.

Acute toxicity

Eye contact : Causes eye irritation.

Skin contact : Causes mild skin irritation.

Inhalation : Exposure to decomposition products may cause a health hazard. Serious effects may be delayed following exposure.

Ingestion : Irritating to mouth, throat and stomach.

Toxicity data

Product/ingredient name	Result	Species	Dose	Exposure
polymer	LD50 Oral	Rat	>2500 mg/kg	-

Chronic toxicity

Carcinogenicity : No known significant effects or critical hazards.

Mutagenicity : No known significant effects or critical hazards.

Teratogenicity : No known significant effects or critical hazards.

Developmental effects : No known significant effects or critical hazards.

Fertility effects : No known significant effects or critical hazards.

12. Ecological information

Ecotoxicity : No known significant effects or critical hazards.

Aquatic and terrestrial toxicity

Product/ingredient name	Test	Result	Species	Exposure
Not available.				

Persistence and degradability

Product/ingredient name	Test	Result	Dose	Inoculum
Not available.				

Product/ingredient name	Aquatic half-life	Photolysis	Biodegradability
Not available.			

Bioaccumulative potential

Product/ingredient name	LogP _{ow}	BCF	Potential
Not available.			

Mobility in soil : Not available.

Other adverse effects : No known significant effects or critical hazards.

13. Disposal considerations

Disposal methods : The generation of waste should be avoided or minimized wherever possible. Significant quantities of waste product residues should not be disposed of via the foul sewer but processed in a suitable effluent treatment plant. Dispose of surplus and non-recyclable products via a licensed waste disposal contractor. Disposal of this product, solutions and any by-products should at all times comply with the requirements of environmental protection and waste disposal legislation and any regional local authority requirements. Waste packaging should be recycled. Incineration or landfill should only be considered when recycling is not feasible. This material and its container must be disposed of in a safe way. Empty containers or liners may retain some product residues.

14. Transport information

Certain shipping modes or package sizes may have exceptions from the transport regulations. The classification provided may not reflect those exceptions and may not apply to all shipping modes or package sizes.

UN Classification : Not regulated.

Marine pollutant (Yes / No) : Not a pollutant.

Specific precautionary transport measures and conditions : -

See shipping documents for specific transportation information.

15. Regulatory information

TCSCA List of toxic chemicals

<u>Listed no.</u>	<u>Series no.</u>	<u>Product name</u>	<u>RQ</u>	<u>Class</u>
Not available.				
List of chemicals for which manufacturing or handling is defined as "work specially hazardous to health" : Not available.				
List of chemicals reputed to be a "threat of imminent danger" : Not available.				
LSHL Article 21 : Not available.				
Safety, health and environmental regulations specific for the product : Not available.				
References : -Regulation of Labeling and Hazard Communication of Dangerous and Harmful Materials. -Labor Safety and Health Act.				

16. Other information

History

Date of issue : 2012 . 12 . 15

Date of previous issue : 2012 . 12 . 15

Organization that prepared the SDS : ECOLAB

Person who prepared the SDS : Regulatory Affairs

Notice to reader

The above information is believed to be correct with respect to the formula used to manufacture the product in the country of origin. As data, standards, and regulations change, and conditions of use and handling are beyond our control, NO WARRANTY, EXPRESS OR IMPLIED, IS MADE AS TO THE COMPLETENESS OR CONTINUING ACCURACY OF THIS INFORMATION.
